You don't often get email from [REDACTED]@ardent-management.com. [Learn why this is important](#)

Dear Sir/Madam

I act for National Grid Electricity Transmission Plc (NGET) and I'm responding to your letter dated 19th December 2025 requesting an update on land rights negotiations with the Applicant.

I understand that at present the Applicant has not initiated any discussions with NGET's land team on land rights required across NGET land at Thorpe Marsh substation. As you will be aware NGET agreed Protective Provisions (PP's) with the Applicant on 29 April 2025 and withdrew the objection on the same day (subject to the agreed PP's being included in the Order), NGET is therefore satisfied that any discussions relating to land rights to facilitate the connection at Thorpe Marsh will be ongoing and should be undertaken in accordance with the PPs agreed.

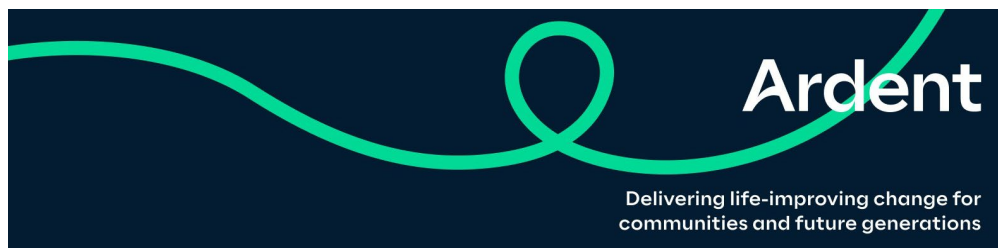

Kind Regards

[REDACTED]

A
