Dear Sir,

**PLANNING ACT 2008 AND THE INFRASTRUCTURE PLANNING (EXAMINATION PROCEDURE)
RULES 2010**

**APPLICATION BY FENWICK SOLAR LIMITED (“THE APPLICANT”) FOR AN ORDER GRANTING
DEVELOPMENT CONSENT FOR THE PROPOSED FENWICK SOLAR FARM PROJECT AND
ASSOCIATED DEVELOPMENT (“THE PROPOSED DEVELOPMENT”)**

Thank you for consulting us on the request for further information relating to negotiations between the Environment Agency and the applicant on land acquisition and rights over land.

Having liaised with our Estates team I can confirm that negotiations are yet to start and we are therefore unable to provide an update to the Land Rights Tracker.

Yours faithfully
