Robert,

Thanks for your email.

I can confirm that Frodsham Solar is not an offshore development and does not include any works within any of the areas defined in section 42(2) of the Planning Act 2008, as such there was not a statutory requirement to consult with the MMO. On this basis we didn't place notices in the Lloyds List or an appropriate fishing journal. This position is set out at paragraph 8.8.2 of the Consultation Report [EN010153/DR/5.1].

Nevertheless, as we discussed the proposals with the MMO early in the project development, we did include them as a consultee in our statutory consultation process. They did not provide any response to the consultation.

I trust this provides sufficient information, please let me know if you need anything further.

Regards

Andrew Russell

Subject: EN010153 - Frodsham Solar Project - Signposting request

Dear Andrew

I hope you are well.

As you know, our acceptance checks are ongoing and the deadline for our acceptance decision is Friday 27 June 2025. We are hoping that you can assist us in our ongoing checks in signposting us to some relevant information within the application:

If you had consulted the Marine Management Organisation at pre-application under s42(1)(aa), please signpost us to where this information can be found in the application documents as well as any relevant responses.

- If you had consulted the Marine Management Organisation, and therefore notified where the proposed application relates to offshore development once in Lloyds List and once in an appropriate fishing trade journal, please signpost to where this information can be found in the application documents.

Please reply by noon on Tuesday 24 June 2025.

Yours sincerely

Robert Cook
