Dear Examining Authority,

EN010153 Frodsham Solar Farm – Response to Procedural Deadline A

LBCCS welcome being registered as an Interested Party through the submission of a valid relevant representation [RR-011] in relation to the above application, submitted under the Planning Act 2008. This submission for Procedural Deadline A is in response to the requests set out by the Examining Authority (ExA) in the Rule 6 letter published on 8<sup>th</sup> October 2025.

### Draft Examination Timetable

LBCCS have no specific comments on how the application should be examined, or on the draft examination timetable set out in Annex C of the Rule 6 letter.

### Preliminary Meeting (PM)

As the main purpose of the PM is to discuss the arrangements for the examination of the application, LBCCS do not wish to speak at the PM. An LBCCS representative will watch the livestream of the PM using the link on the project webpage. Taking this into consideration LBCCS do not intend to complete the event participation form for the PM meeting.

### Open Floor Hearing 1 (OPH1) and Issue-Specific Hearing 1 (ISH1)

Taking into consideration the agenda for OPH1 and ISH1 in Annex D of the Rule 6 letter, and as there is no specific agenda item in relation to the proposed Runcorn Carbon Dioxide Spur Pipeline, LBCCS do not wish to attend OPH1 and

ISH1. However, LBCCS would like to reserve the right to attend ISH1 if the agenda changes following close of Procedural Deadline A.

Notification of wish to attend accompanied Site Inspection

At this time, LBCCS does not wish to propose any specific sites or locations for the ExA's site inspection.

LBCCS would like to reiterate that our principal concerns regarding the Frodsham Solar Farm DCO application are set out in our Relevant Representation submitted on 28 August 2025 [RR-011]. Whilst LBCCS supports the overall principle of the Frodsham Solar Project, we will continue to engage with the Applicant. As stated in Annex E of the Rule 6 letter, LBCCS are working with the Applicant on a Statement of Common Ground (SoCG) and note the request for the submission of a draft SoCG at Deadline 2.

Please do not hesitate to contact us should you require any further information.

Yours faithfully,
