**Applicant Cover Letter for Examination Deadline 3 – Updates to Applicant Response to Interested Party ExAQ1 Submissions**

Further to our letter dated 28th January 2026, in which we advised the Applicant had been unable to finalise its ecological and ornithological responses to Interested Party ExAQ1 Submissions, we have now completed our responses.

As such, we are submitting a revision to the Applicant Response to Interested Party ExAQ1 Submissions [EN010153/DR/8.30], as revision P02. This is provided in both clean and tracked formats. Additionally, we have included an updated Application Document Tracker P06 [EN010153/DR/8.30] reflecting this submission.

We trust this has not caused inconvenience to the Examining Authority.

Please do not hesitate to contact the undersigned or [REDACTED] if you have any questions or require further information.
