Question 16 from the recent Issue Specific Hearing dated the 24th February 2026.

The Public Rights of Way Management Plan and who it should be directed to for approval other than Cheshire West and Chester Council.

I would add Frodsham Town Council (FTC) also Frodsham Festival of Walks (Glyn Morris) who are both heavily invested in the Marshes Public Rights of Way and community engagement.

Kind Regards,

Councilor Richard Lofts,

Chair of Amenities and Planning (FTC)
