Subject: Fw: Solar Farm Application Ref: EN010153

You don't often get email from [REDACTED]
[REDACTED]

Good Afternoon

I would like to strongly object to this application to use my land and that of [REDACTED]
[REDACTED] I rely on these parcels of land for my livelihood. I rent the land belonging to [REDACTED]
[REDACTED] and own the land in the name of [REDACTED]

Your letter also states that 'negotiations are ongoing' with interested parties. May I point out that noone has negotiated with me or spoken to me directly at all on this matter.

Can you explain to me in plain English the exact amount of land that is involved in this application and its' location in relation to my land.

Kind Regards

Mark Avis-Ainsworth
