Good Morning Ryan,

Thank you for your email. We had thought that not providing a response would simply be considered as the LPA's having no comments to make. Nevertheless, as we understand it this Project is located entirely within North Kesteven and connects into the proposed Navenby Substation. Its over 20 km from East Lindsey District Council (ELDC) and Boston Borough Council (BBC) boundaries. Therefore, on that basis we have no comments to make on the adequacy of consultation. Many Thanks
