Dear Sir/Madam,

I hope this email finds you well.

Further to the email from my colleague Ryan, provided below, sent on Monday we do not appear to have received an Adequacy of Consultation Representation from your authority to date. As the

deadline for a decision on whether or not to accept this application for examination falls on **Friday 15 August 2025** and we are now past the deadline we set for the submission of such representations, we are providing a final opportunity for your authority to make such a representation, should it wish to make such a submission. It would be helpful for our process in considering and reaching a robust decision, if your authority could provide any submission it wishes to make by midday on **Tuesday 12 August 2025** or confirm that we are not to receive such a submission.

Kind regards,

Simon
