

Planning Act 2008

The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017

CERTIFICATE OF COMPLIANCE WITH REGULATION 16

I HEREBY certify that, in compliance with the requirements under regulation 17 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017:–

- (a) notice of the application was given to the persons identified under regulation 11; and
- (b) a copy of the accepted application, including the environmental statement and a map was given to the consultation bodies in accordance with regulation 16.

in relation to the application for an order to grant development consent for Fosse Green Energy (**Proposed Development**). The Proposed Development comprises the construction, operation, maintenance and decommissioning of a solar photovoltaic (PV) electricity generating facility with on-site Battery Energy Storage System and other associated infrastructure, with a total capacity exceeding 50 megawatts (MW), along with an import and export connection via the national transmission network at the proposed National Grid substation near Navenby. The site of the Proposed Development is located approximately 9km south and south west of Lincoln in proximity to the villages of Thorpe on the Hill, Witham St Hughs, Haddington, Thurlby, Navenby, and Bassingham.

(Completed certificate to be received by the Secretary of State no later than 10 working days after the deadline date stating the applicant has fulfilled all the requirements at (a) and (b))
