Finally, just an indication of what we might expect in 40, 5060, years time, I have direct personal experience of what happened when we ripped up the old wartime airfields were put in 1938 onwards. They were largely lipped, ripped out after 40 or 50 years, and the evidence can be seen quite clearly from the air that that soil does not recover anytime soon. Thank you.

2:04:52

I think that does draw this item to a close.

2:04:58

So we'll now take an.

2:05:00

Adjournment slightly later than I was expecting.

2:05:05

Are people comfortable that we adjourn until 10 past 12? That gives us 15 minutes. I'm seeing nods around him, so this hearing is therefore adjourned until 10 past 12. Thank you. Well.
