Dear Sir/Madam,

As Leader of Lincolnshire County Council, I am writing to formally endorse and reiterate the position set out in [REDACTED] letter (on behalf of [REDACTED] – Head of Planning) dated 20 January 2026, following the Planning Inspectorate's Rule 8 letter of 14 January 2026. The correspondence, written by officers and approved by the Council's Planning and Regulation Committee, sets out in full the authority's assessment of the proposed Fosse Green Energy Park and the reasons for the Council's objection at this stage of the examination.

Whilst the Council currently objects to the proposed development on a number of grounds, the Council will continue to engage with the applicant and Examining Authority throughout the examination period in an attempt to resolve as many of these concerns as possible by the close of examination.

Yours sincerely

Councillor Sean Matthews
Leader of the Council
