Fosse Green Energy Development Consent Order 202[]

9.7 Schedule of Changes to the Draft DCO

Regulation Reference	Regulation 5(2)(q)
Planning Inspectorate Scheme Reference	EN010154
Application Document Reference	EN010154/EXAM/9.7
Author	Fosse Green Energy Limited

Version	Date	Issue Purpose
Rev 1	24 March 2026	Deadline 1
Rev 2	06 February 2026	Deadline 2
Rev 3	24 March 2026	Deadline 3A

1. Schedule of Changes to the draft Development Consent Order [EN010154/APP/3.1]

1.1 The following table has been prepared by Fosse Green Energy Limited (the Applicant) to set out the changes made to the draft Development Consent Order from that submitted with the application to the Planning Inspectorate on 18 July 2025. The table below does not detail minor changes in relation to typographical errors and updates in cross-referencing.

Table 1.1. Schedule of Changes to the draft Development Consent Order

Reference	Change	Reason for Change	Deadline
Article 2 (Interpretation)	Article 2(1) "date of final commissioning" means in respect of each part of the authorised development the date on which each part of the authorised development commences operation by generating electricity on a commercial basis but excluding the generation of electricity during commissioning and testing;	Amendment made to provide clarity with regards to the date of decommissioning in relation to Requirement 20 (Decommissioning) of Schedule 2. Consequential amendments have also been made to Articles 29 and 30, Requirements 5, 9, 13 and 17 and paragraph 18 of Part 3 of Schedule 14.	Deadline 2
<u>Article 2</u> (Interpretation)	<u>"holding company" has the same meaning as in section 1159 of the Companies Act 2006(b);</u> <u>"subsidiary" has the same meaning as in section 1159 of the Companies Act 2006(d);</u>	<u>The Applicant reviewed the draft Order and noted that neither "holding company" nor "subsidiary" are used. The Applicant has therefore deleted these definitions from Article 2.</u>	<u>Deadline 3A</u>

<p><u>Article 2</u> <u>(Interpretation)</u></p>	<p><u>"Permitted preliminary works" means all or any of—</u> <u>(a) environmental surveys, geotechnical surveys, intrusive archaeological surveys and other investigations for the purpose of assessing ground conditions;</u> <u>(b) removal of plant and machinery;</u> <u>(c) above ground site preparation for temporary facilities for the use of contractors;</u> <u>(d) the temporary display of site notices or advertisements;</u> <u>(e) site clearance (including vegetation removal, demolition of existing buildings and structures);</u> <u>(f) geotechnical surveys and other investigations for the purpose of assessing ground conditions;</u> <u>(d)</u><u>(g) remedial work in respect of any contamination or other adverse ground conditions;</u> <u>(e)</u><u>(h) diversion of existing apparatus and laying of temporary apparatus;</u> <u>(f)</u><u>(i) the provision of temporary means of enclosure and site security for construction; or</u> <u>(g)</u><u>the temporary display of site notices or advertisements;</u> <u>(h)</u><u>site clearance (including vegetation removal, demolition of existing buildings and structures); or</u> <u>(i)</u><u>(j) advanced planting to allow for early establishment of protective screening;</u></p>	<p><u>Amendment to re-order the definition of permitted preliminary works so they are grouped into non-intrusive ((a)-(e)) and intrusive ((f)-(j)) works. This is to make cross referencing in the requirements easier.</u></p>	<p><u>Deadline 3A</u></p>
<p><u>Article 2</u> <u>(Interpretation)</u></p>	<p><u>Insert a new definition</u> <u>"permitted preliminary works environmental management plan" means the document of that name identified in the table at Schedule 12 (documents and plans to be certified) and which is certified by the Secretary of State as the permitted preliminary works</u></p>	<p><u>The Applicant has inserted a new definition for "permitted preliminary works environmental management plan" in line with updates proposed at Deadline 3.</u></p>	<p><u>Deadline 3A</u></p>

[environmental management plan for the purposes of this Order;](#)

Article 6 (Application and modification of statutory provisions)	Article 6(1) " (e) regulation 12 (requirement for environmental permit) of the Environmental Permitting (England and Wales) Regulations 2016(e) in respect of a flood risk activity only; "	This wording has been removed as Deadline 1 the Applicant has now agreed with the Environment Agency that it will not be seeking to disapply the requirement to obtain an environmental permit under Regulation 12 of the Environmental Permitting (England and Wales) Regulations 2016.
Article 17 (Discharge of water)	Article 17(8) "If a person who receives an application for consent or approval fails to notify the undertaker of a decision within 28 days of receiving an application for consent under paragraph (3) or approval under paragraph (4)(a) that person is deemed to have granted consent <u>or</u> given approval, as the case may be."	Correction of a minor typographical error. Deadline 2
Article 40 (Trees subject to tree preservation orders)	Article 40(1) "The undertaker may fell or lop any tree within or overhanging land within the Order limits subject to a tree preservation order which was made after 30 June 2025 if the undertaker reasonably believes it to be necessary to do so to prevent the tree or shrub—"	The placeholder in this Article has been removed and the 30 June 2025 inserted. The provision is intended to deal with any TPOs which have been made since the submission of the application for development consent. This approach mirrors that of the Springwell Solar Farm (EN010149). Deadline 2

<u>Article 40 (Trees subject to tree preservation orders)</u>	<u>Article 40(1) "The undertaker may fell or lop any tree within or overhanging land within the Order limits subject to a tree preservation order which was made after 10 April 30 June 2025 if the undertaker reasonably believes it to be necessary to do so to prevent the tree or shrub—"</u> -	<u>Amendment of the date to refer to 10 April 2025 which is the date when the statutory designation searches were undertaken, as set out in Section 5.2.1 of the Arboricultural Impact Assessment Report [APP-155].</u>	<u>Deadline 3A</u>
Article 40 (Trees subject to tree preservation orders)	Article 40(1)(c) "the undertaker must give consult the relevant planning authority <u>14 days' notice</u> prior to that activity taking place <u>except in relation to dead or dangerous trees, where only 5 days' notice is required.</u> "	Amendment made in response to submissions from North Kesteven District Council.	Deadline 2
Article 47 (Guarantees in respect of payment of compensation)	Article 47(2) "(2) The provisions are— (a) article 19 (compulsory acquisition of land); (b) article 22 (compulsory acquisition of rights); (c) article 23 (private rights); (e) <u>(d) article 26 (power to override easements and other rights);"</u>	Amendment made to address a comment from NKDC as compensation is payable under Article 26(4).	Deadline 2
Schedule 1 (Authorised development) paragraph 2 (Authorised development)	" Work No. 5A — works to lay <u>underground</u> high voltage electrical cables, access and temporary construction compound laydown areas for the electrical cables, to connect to the National Grid Navenby substation including—"	Amendment made to address the Examining Authority's written question DCO.1.13 [EN010154/PD/0.11].	Deadline 2
Schedule 1 (Authorised development) paragraph 2 (Authorised development)	" Work No. 6 — works to lay <u>underground</u> electrical cables up to 33 kV connecting Work No. 1 to Work No. 2 or Work No. 3 and Work No. 4 <u>including—</u> "	Amendment made to address the Examining Authority's written question DCO.1.13 [EN010154/PD/0.11].	Deadline 2

Schedule 1 (Authorised development) paragraph 2 (Authorised development)	Paragraph 2, "In connection with and in addition to Work Nos. 1 to 9 further associated development within the Order limits comprising such other works or operations as may be necessary or expedient for the purposes of or in connection with the authorised development and insofar as they do not give rise to any materially new or materially different environmental effects from those assessed in the environmental statement, including— (a) fencing, gates, boundary treatments and other means of enclosure; (b) bunds, embankments, trenching and swales; (c) works, improvements or extensions to the existing drainage and irrigation system and works to alter the position and extent of such irrigation system; (d) irrigation infrastructure, surface water drainage systems, runoff outfalls, SuDs Ponds, storm water attenuation systems including storage basins, oil water separators, including channelling and culverting and works to existing drainage networks; (e) electrical, gas, water, foul water drainage and telecommunications infrastructure connections, diversions and works to, and works to alter the position of, such services and utilities connections; (f) works to alter the course of, or otherwise interfere with, non-navigable rivers, streams or watercourses; (g) works for the provision of security and monitoring measures such as CCTV columns, lighting columns and lighting, cameras, lightning protection masts, weather stations, storage containers, communication infrastructure, and perimeter fencing; (h) improvement, maintenance, repair and use of existing streets, private tracks and access roads;	This text has been removed as it duplicates the provision at the start of the list of associated development.	Deadline 2
---	--	---	------------

- (i) laying down, maintenance and repair of new internal access tracks, ramps, means of access, footpaths, permissive paths, cycle routes and roads, signage and information boards;
- (j) temporary footpath diversions and closures;
- (k) landscaping;
- (l) temporary storage of materials prior to installation;
- (m) site establishments and preparation works including site clearance (including vegetation removal, demolition of existing buildings and structures); earthworks (including soil stripping and storage and site levelling) and excavations; the alteration of the position of services and utilities; and works for the protection of buildings and land; and
- (n) tunnelling, boring and drilling works.

~~and further associated development comprising such other works or operations as may be necessary or expedient for the purposes of or in connection with the construction, operation and maintenance of the authorised development which are within the Order limits and fall within the scope of work assessed in the environmental statement."~~

<p><u>Schedule 1 (Authorised development) paragraph 2 (Authorised development)</u></p>	<p><u>"In connection with and in addition to Work Nos. 1 to 9 further associated development within the Order limits comprising such other works or operations as may be necessary or expedient for the purposes of or in connection with the authorised development and insofar as they do not give rise to any materially new or materially different environmental effects from those assessed in the environmental statement, including—</u></p>	<p><u>Amended to remove a work type Deadline 3A not required for the purposes of the Proposed Development.</u></p>
--	--	--

	(f) works to alter the course of, or otherwise interfere with, non-navigable rivers, streams or watercourses;"	
Schedule 2 (Requirements), 1 (Interpretation)	""date of final commissioning" means in respect of each part of the authorised development the date on which each part of the authorised development commences operation by generating electricity on a commercial basis but excluding the generation of electricity during commissioning and testing."	This wording has been removed as Deadline 2 it duplicates the definition at Article 2.
Schedule 2 (Requirements), 1 (Interpretation)	Insert a new definition "part" means a part of the authorised development as set out in the written scheme submitted to the relevant planning authority and Lincolnshire County Council pursuant to requirement 6(7)	In line with discussions during ISH3, the Applicant has inserted a new definition for "part" for the purposes of Schedule 2 to provide clarity in the interpretation of the requirements. Deadline 3A
Schedule 2 (Requirements), 4 (Approved details and amendments to them)	Insert a new paragraph (2) " (2) In determining whether to approve any amendments to any of the approved Documents, Plans, Details or Schemes, the relevant planning authority must re-consult all consultees that were required to be consulted on those Documents, Plans, Details or Schemes when those Documents, Plans, Details or Schemes were originally approved. "	Included in response to National Highways' relevant representation [RR-201] . Deadline 1
Schedule 2 (Requirements), 6 (Detailed design approval)	(1) "No part of the authorised development may be commenced until details of— (a) the layout; (b) scale; (c) proposed finished ground levels; (d) external appearance; (e) hard surfacing materials;	Amended in response to ExQ2 DCO.2.11(a) [PD-016] . Deadline 3A

	<p><u>(f) drainage, water, electrical, power and communication cables and pipelines;</u></p> <p><u>(g) vehicular and pedestrian access, parking and circulation areas, junction improvements and passing places; and</u></p> <p><u>(h) refuse or other storage units, signs and lighting, relating to that part have been submitted to and approved in writing by the relevant planning authority such approval to be in consultation with Lincolnshire County Council as local highway authority in relation to sub-paragraph (1)(g)."</u></p>		
<p><u>Schedule 2 (Requirements), 6 (Detailed design approval)</u></p>	<p><u>(6) "The Battery and Energy Storage System works in either Work No. 2 or Work No. 3 must not commence until written notification explanation of the choice of a Centralised Battery and Energy Storage System or a Distributed Battery and Energy Storage System has been provided in writing to the relevant planning authority that the authorised development is to be implemented with either Work No. 2 or Work No. 3; either before, or at the same time as, the details referred to in sub-paragraph (1)."</u></p>	<p><u>Amended in response to ExQ2 DCO.2.11(b) [PD-016].</u></p>	<p><u>Deadline 3A</u></p>
<p><u>Schedule 2 (Requirements), 6 (Detailed design approval)</u></p>	<p><u>Insert new paragraphs (7) and (8):</u></p> <p><u>"(7) The authorised development must not be commenced until a written scheme setting out the parts in which the authorised development is to be constructed has been submitted to the relevant planning authority and Lincolnshire County Council."</u></p>	<p><u>Inserted to provide a mechanism for North Kesteven District Council and Lincolnshire County Council to be provided with written notification of the parts in which the Proposed Development is to be constructed.</u></p>	<p><u>Deadline 3A</u></p>
<p><u>Schedule 2 (Requirements), 6 (Detailed design approval)</u></p>	<p><u>Insert new paragraph (8):</u></p> <p><u>"(8) The permitted preliminary works must be carried out in accordance with the provisions of the permitted preliminary works environmental management plan."</u></p>	<p><u>Inserted to ensure the permitted preliminary works are undertaken in accordance with the permitted preliminary works environmental management plan.</u></p>	<p><u>Deadline 3A</u></p>

<p><u>Schedule 2 (Requirements), 8 (Landscape and ecological management plan)</u></p>	<p><u>(1) "No part of the authorised development, including any preliminary vegetation clearance works for that part, is to be commenced may commence, and no part of the permitted preliminary works for that part comprising <u>vegetation removal, may start until a landscape and ecological management plan has been submitted to and approved by the relevant planning authority, following consultation with Lincolnshire County Council, Natural England, and the Environment Agency and, in respect of landscaping and ecological mitigation within 15 metres of the A46, with National Highways."</u></u></p>	<p><u>Amended in response to ExQ2 DCO.2.12 and DCO.2.13 [PD-016] and in response to National Highways [REP2-052].</u></p>	<p><u>Deadline 3A</u></p>
<p><u>Schedule 2 (Requirements), 9 (Fencing and other means of enclosure)</u></p>	<p><u>(1) "No part of the authorised development, may commence, and no part of the permitted including any preliminary works for that part comprising the provision of temporary means of enclosure, is to be commenced may begin until written details of all proposed temporary fences, walls or other means of enclosure, including those set out in the construction environmental management plan, for that part have been submitted to and approved by the relevant planning authority."</u></p> <p><u>(2) "No part of the authorised development may is to be commenced until written details of all permanent fences, walls or other means of enclosure for that part have been submitted to and approved by the relevant planning authority."</u></p>	<p><u>Amended in response to ExQ2 DCO.2.14 [PD-016].</u></p>	<p><u>Deadline 3A</u></p>
<p>Schedule 2 (Requirements), 10 (Surface and foul water drainage)</p>	<p>(1) "No part of the authorised development may commence until written details of the surface water drainage scheme and (if any) foul water drainage system has been submitted to and approved by the lead local flood authority and the relevant planning authority, <u>in consultation with Anglian Water and the Environment Agency."</u></p>	<p>In response to a request from the Environment Agency in [RR-089] and Anglian Water in [RR-024].</p>	<p>Deadline 1</p>

<p><u>Schedule 2 (Requirements), 10 (Surface and foul water drainage)</u></p>	<p><u>(1) "No part of the authorised development may be commenced until written details of the surface water drainage scheme and (if any) foul water drainage system have been submitted to and approved by the lead local flood authority and the relevant planning authority, in consultation with Anglian Water and the Environment Agency."</u></p>	<p><u>Amended in response to ExQ2 DCO.2.16 [PD-016].</u></p>	<p><u>Deadline 3A</u></p>
<p><u>Schedule 2 (Requirements), 11 (Archaeology)</u></p>	<p><u>(1) "The No part of the authorised development may not be commenced until—</u> <u>(a) a scheme for additional trial trenching for that part has been submitted to and approved by the relevant planning authority, in consultation with Historic England;</u> <u>(b) additional trial trenching has been carried out for that part in accordance with the scheme approved under sub-paragraph (a); and</u> <u>(c) updates are made to the framework written scheme of investigation to account for the results of the additional trial trenching carried out and the updated framework written scheme of investigation is submitted to and approved in writing by the relevant planning authority in consultation with Historic England."</u></p> <p><u>(2) "The relevant part of the authorised development must be carried out in accordance with the written scheme of investigation approved under sub-paragraph 1(c)."</u></p> <p><u>(3) "For the purposes of sub-paragraph (1), "commence" includes any activities within paragraphs (f) to (j) of the permitted preliminary works unless otherwise agreed with the relevant planning authority."</u></p>	<p><u>Amended in response to ExQ2 DCO.2.17 [PD-016] and consequential amendments following the amendments to the definition of "permitted preliminary works".</u></p>	<p><u>Deadline 3A</u></p>

Schedule 2 (Requirements), 12 (Construction environmental management plan)	(1) "No part of the authorised development may commence until a construction environmental management plan for that part has been submitted to and approved by the relevant planning authority such approval to be in consultation with Lincolnshire County Council (as the local highway authority and waste planning authority), National Highways and the Environment Agency."	Amendment made in response to request from National Highways in [RR-201] .	Deadline 1
<u>"(4) for the purposes of sub-paragraph (1), "commence" includes remedial work in respect of any contamination."</u>		Amendment made in response to a request from the Environment Agency at [RR-089] .	Deadline 1
<u>Schedule 2 (Requirements), 12 (Construction environmental management plan)</u>	<u>(1) "No part of the authorised development may is to be commenced until a construction environmental management plan for that part has been submitted to and approved by the relevant planning authority such approval to be in consultation with Lincolnshire County Council (as the local highway authority and waste planning authority), National Highways and the Environment Agency."</u>	<u>Amended in response to ExQ2 DCO.2.18 [PD-016].</u>	<u>Deadline 3A</u>
Schedule 2, (Requirements), 13 (Operational environmental management plan)	(1) "Prior to the date of final commissioning for any part of the authorised development, an operational environmental management plan for that part must be submitted to and approved by the relevant planning authority such approval to be in consultation with Lincolnshire County Council (as the local highway authority and waste planning authority), National Highways and the Environment Agency."	Amendment made in response to request from National Highways in [RR-201] .	Deadline 1

Schedule 2, (Requirements), 14 (Construction traffic management plan)	(1) "No part of the authorised development may commence until a construction traffic management plan for that part has been submitted to and approved by the relevant planning authority <u>in consultation with National Highways.</u> "	Amendment made in response to request from National Highways in [RR-201] .	Deadline 1
<u>Schedule 2 (Requirements), 14 (Construction traffic management plan)</u>	<u>(1) "No part of the authorised development may be commenced until a construction traffic management plan for that part has been submitted to and approved by the relevant planning authority in consultation with National Highways."</u>	<u>Amended in response to ExQ2 DCO.2.20 [PD-016].</u>	<u>Deadline 3A</u>
Schedule 2, (Requirements), 15 (Soil management plan)	(1) "No part of the authorised development may commence until a soil management plan for that part has been submitted to and approved by the relevant planning authority, in consultation with Lincolnshire County Council <u>and Natural England.</u> "	Amendment made in response to request from Natural England in [RR-202] .	Deadline 1
<u>Schedule 2 (Requirements), 15 (Soil management plan)</u>	<u>(1) "No part of the authorised development may be commenced until a soil management plan for that part has been submitted to and approved by the relevant planning authority, in consultation with Lincolnshire County Council and Natural England."</u>	<u>Amended in response to ExQ2 DCO.2.22 [PD-016].</u>	<u>Deadline 3A</u>
Schedule 2 (Requirements), 16 (Operational noise)	(1) "No part of the authorised development which emits operational noise is to be brought into may be operational use until an operational noise assessment for that part has been submitted to and approved by the relevant planning authority. The operational noise assessment(s) to be submitted for the approval of the relevant planning authority must demonstrate containing details of how the design of the relevant part of the authorised development for that part has incorporated mitigation to ensure that the relevant operational noise rating levels set out in Table 11-21 of Chapter 11 of the	Amended in response to ExQ2 DCO.2.23 [PD-016] .	Deadline 3A

environmental statement have been ~~are to be compiled~~
with for that part has been submitted to and approved by
the relevant planning authority."

Schedule 2, (Requirements), 17 (Permissive paths)	"(1) Prior to the construction of a permissive path, the undertaker must submit details of that permissive path to the relevant planning authority <u>for approval in consultation with North Kesteven District Council.</u> "	To reflect agreement with North Kesteven District Council.	Deadline 2
---	--	--	------------

<u>Schedule 2, (Requirements), 17 (Permissive paths)</u>	<u>"(1) No part of the authorised development is to be commenced until details of— (a) Prior to the construction of a permissive path, the undertaker must submit details of that permissive path to the relevant planning authority for approval in consultation with North Kesteven District Council. (4) The details to be submitted for approval under sub-paragraph (1) must include— (a) the final routing of the permissive path(s) to be provided, such routing to be substantially in accordance with the routing as shown on the streets, rights of way and access plans; (b) the specification of the permissive path(s); and (c) the maintenance regime for the permissive path(s). relating to that part have been submitted to and approved in writing by the relevant planning authority in consultation with North Kesteven District Council. (2) On the day following The permissive paths must be provided and open to the public prior to the date of final commissioning of the authorised development, the permissive paths approved under sub-paragraph (1) must be made open to the public.</u>	<u>Amended for clarification in line with Deadline 3 responses and in response to ExQ2 DCO.2.24 [PD-016].</u>	<u>Deadline 3A</u>
--	--	---	--------------------

(3) Until the commencement of any decommissioning works for the authorised development pursuant to requirement 20 (decommissioning), the approved permissive paths must be—The permissive paths must be provided and
(a) maintained in accordance with the details approved under sub-paragraph (1); and
(b) kept open to the public in accordance with the details approved under section 6 'Permissive Paths' of the landscape and ecological management plan in accordance with requirement 8 (landscape and ecological management plan). retained until the authorised development is decommissioned pursuant to requirement 20 (decommissioning)

Schedule 2, (Requirements), 18 Public rights of way)	"(1) No part of the authorised development may commence until a public rights of way management plan for any sections of public rights of way shown to be <u>permanently or</u> temporarily closed on the streets, rights of way and access plans for that part has been submitted to and approved by the relevant planning authority <u>in consultation with North Kesteven District Council.</u> "	To reflect agreement with North Kesteven District Council.	Deadline 2
<u>Schedule 2 (Requirements), 18 Public rights of way)</u>	<u>(1) "No part of the authorised development may is to be commenced until a public rights of way management plan for any sections of public rights of way shown to be permanently or temporarily closed on the streets, rights of way and access plans for that part has been submitted to and approved by the relevant planning authority in consultation with North Kesteven District Council."</u>	<u>Amended in response to ExQ2 DCO.2.25 [PD-016].</u>	<u>Deadline 3A</u>

<p><u>Schedule 2 (Requirements), 19 (Employment, skills and supply chain)</u></p>	<p><u>(1) "The No part of the authorised development may must not be commenced until an employment, skills and supply chain plan in relation to that part has been submitted to and approved by the relevant planning authority in consultation with Lincolnshire County Council."</u></p>	<p><u>Amended in response to ExQ2 DCO.2.26 [PD-016] and to provide for the delivery of a single employment, skills and supply chain plan for the Proposed Development.</u></p>	<p><u>Deadline 3A</u></p>
	<p><u>(4) "The Any employment, skills and supply chain plan approved under sub-paragraph (1) must be implemented as approved."</u></p>		
<p>Schedule 2, (Requirements), 20 (Decommissioning)</p>	<p>(2) "(2) Prior to the commencement of any decommissioning works for any part of the authorised development, the undertaker must submit to the relevant planning authority for approval, in consultation with Lincolnshire County Council (in its capacity as the local highway authority and waste planning authority), National Highways and the Environment Agency, a decommissioning environmental management plan for that part."</p>	<p>Amendment made in response to request from National Highways in [RR-201].</p>	<p>Deadline 1</p>
<p>Schedule 2 (Requirements), 20 (Decommissioning)</p>	<p>" (2) Prior to the commencement of any decommissioning works for any part of the authorised development, the undertaker must submit to the relevant planning authority for approval, in consultation with Lincolnshire County Council (in its capacity as the local highway authority and waste planning authority), National Highways and the Environment Agency, a decommissioning environmental management plan for that part.</p>	<p>Consequential amendments following the amendments to the definition of "date of final commissioning" at Deadline 2 to provide clarity that there will be one date for the commencement of decommissioning works.</p>	<p>Deadline 2</p>
	<p>(3) The decommissioning environmental management plan submitted and approved under sub-paragraph (2) must be substantially in accordance with the relevant</p>		

~~part of~~ the framework decommissioning environmental management plan.

(4) No decommissioning works must be carried out until the relevant planning authority has approved the plan submitted in relation to such works.

(5) The plan submitted and approved pursuant to subparagraph (2) must be implemented as approved for the works required to decommission ~~that part of~~ the authorised development.

(6) This requirement is without prejudice to any other consents or permissions which may be required to decommission ~~any part of~~ the authorised development. "

Schedule 4 (Streets subject to street works)	Lincolnshire County Council	Those parts of the A46 that are within the limits of deviation of Work No. 6	Street works to facilitate underground cable installation works for the length of the A46 shown in green patterned hatching on Sheet 4 of the streets, rights of way and access plans.	The inclusion of this new row has been agreed with National Highways. The Streets, Rights of Way and Access Plans [EN010154/APP/2.3] have been updated accordingly. Deadline 1
--	---	--	--	---

Schedule 6 (Streets and public rights of way)	Articles 12 and 13			The reference to Article 13 has been removed as Schedule 6 does not relate to this article.	Deadline 2
Schedule 6 (Streets and public rights of way), Part 3 (Permanent use of motor vehicles on public rights of way)	Lincolnshire County Council	LL/NoDi/4/1	Permanent use of motor vehicles under the direction of the undertaker between PReW 09/02 and PReW 09/04 as shown on Sheet 9 of the streets, rights of way and access plans to facilitate the construction of the authorised development."	Updated to address discrepancies identified in ExQ1 DCO.1.09 [EN010154/PD/0.11] and reflect amendments to updated plans.	Deadline 2

Schedule 6 (Streets and public rights of way), Part 4 (Temporary management of public rights of way)	Lincolnshire County Council	LL ThuN 1/1	Public Right of Way between points PReW 07/07 and PReW 07/08 as shown on Sheet 7 of the streets, rights of way and access plans to be managed during construction of the authorised development.	Updated to address discrepancies identified in ExQ1 DCO.1.09 [EN010154/PD/0.11] and reflect amendments to updated plans. Deadline 2
	Lincolnshire County Council	LL ThuN 5/1	Public Right of Way between points PReW 07/09 and PReW 09/01 as shown on Sheets 7 and 9 of the streets, rights of way and access plans to be managed during	

			construction of the authorised development.
Lincolnshire County Council	LL NoDi 4/1		Public Right of Way between points P R oW 09/02 and P R oW 09/04 as shown on Sheet 9 of the streets, rights of way and access plans to be managed during construction of the authorised development.
Lincolnshire County Council	LL NoDi 1/2		Public Right of Way between points P R oW 09/01 3 and P R oW 09/02 4 as shown on Sheet 9 of the streets, rights of way and access plans

			to be managed during construction of the authorised development.	
	Lincolnshire County Council	LL NoDi 1/1	Public Right of Way between points PReW 09/04 and PReW 09/05 as shown on Sheet 9 of the streets, rights of way and access plans to be managed during construction of the authorised development.	
Schedule 6 (Streets and public rights of way), Part 5 (Temporary use of motor vehicles on public rights of way)	Lincolnshire County Council	LL TOTH 6A/2	Temporary use of motor vehicles under the direction of the undertaker between	Updated to address discrepancies identified in ExQ1 DCO.1.09 [EN010154/PD/0.11] and reflect amendments to updated plans. Deadline 2

			PRoW 02/09 and PRoW 02/11 as shown on Sheet 2 of the streets, rights of way and access plans to facilitate the construction of the authorised development.
	Lincolnshire County Council	LL ThuN 1/1	Temporary use of motor vehicles under the direction of the undertaker between PRoW 07/07 and PRoW 07/08 as shown on Sheets 7 and 9 of the streets, rights of way and access plans to facilitate the

			construction of the authorised development.		
	Lincolnshire County Council	LL ThuN 5/1	Temporary use of motor vehicles under the direction of the undertaker between PRow 07/09 and PRow 09/01 as shown on Sheets 7 and 9 of the streets, rights of way and access plans to facilitate the construction of the authorised development.
