Dear Madam

## **The Infrastructure Planning (Examination Procedure) Rules 2010 – rule 17**

### **Application by Fosse Green Energy Limited for an order granting development consent for the Fosse Green Energy**

#### **Request for further information**

We are writing under rule 17 of the Infrastructure Planning (Examination Procedure) Rules 2010 further to your Deadline 6 submission in which you have referred to the 2025 Chartered Institute of Ecology and Environmental Management UK Bat Mitigation Guidelines (the CIEEM Bat Mitigation Guidelines).

It may be necessary for the Examining Authority to refer to the CIEEM Bat Mitigation Guidelines when reporting to the Secretary of State following the closure of the Examination. Consequently, we request that you submit a copy of the CIEEM Bat Mitigation Guidelines so that it can be allocated a document reference number and be added to the Examination Library.

The requested document should be submitted no later than Examination **Deadline 7** (9 June 2026).

Yours sincerely

*Grahame Gould*
