Dear ██████████

Planning Act 2008 – section 102A

Application by Fosse Green Energy Limited for an order granting development consent for the Fosse Green Energy project

Request to become interested parties

We refer to the request, made via your email dated 24 June 2026 [AS-149], Noventum Power Solar 4 Limited to become an interested party under section (s) 102A of the Planning Act 2008 (PA2008). That request to become an interested party being in respect of Noventum Power Solar 4 Limited recently being identified by the Applicant as a party with an interest in Land Plot 16/17 within the Order Limits for the proposed development, as explained by the Applicant in [REP7-001].

Noventum Power Solar 4 Limited was identified as a new Category 2 land interest for Land Plot 16/17 in the Book of Reference [REP7-010] and had not previously been notified of the application's acceptance. Given Noventum Power Solar 4 Limited has indicated that it intends to submit representations by 30 June 2026, in accordance with [PD-033], the Examining Authority (ExA) considers that Noventum Power Solar 4 Limited should be made an interested party under s102(A) of the PA 2008.

This letter therefore notifies you that Noventum Power Solar 4 Limited has become an interested party under s102(1)(ab) PA2008 from today's date. The unique reference number is FGES-004. Please ensure you quote that number in any future correspondence.
