Joint Statement with National Grid Electricity Transmission Plc
The Applicant and National Grid Electricity Transmission Plc (NGET) confirm that matters between the parties are substantially agreed however there remain some administrative matters to be resolved before the protective provisions are finalised. The Applicant and NGET will provide a further update to the Secretary of State as soon as possible.

It is the Applicant's intention, following the finalisation of all matters, to submit an updated draft Development Consent Order containing fully agreed protective provisions for the protection of NGET at Part 8 of Schedule 15.

Other Updates
The Applicant also intends to update Schedule 12 (Documents and plans to be certified) in the revised iteration of the draft DCO referred to above in order to reflect the updated application documents submitted alongside this letter.

Yours sincerely,

Womble Bond Dickinson (UK) LLP
