Dear Sir or Madam,

Planning Act 2008 and The Infrastructure Planning (Examination Procedure) Rules 2010

Application by Fosse Green Energy Limited ("the Applicant") for an Order granting Development Consent for the proposed Fosse Green Energy ("the Proposed Development")

REQUEST FOR INFORMATION

1. Following the completion of the Examination on 6 July 2026, the Examining Authority submitted a Report and Recommendation in respect of its findings and conclusions on the above application to the Secretary of State on 6 October 2026. In accordance with section 107 of the Planning Act 2008, the Secretary of State has three months to determine the application.

2. On 30 October 2026 the Secretary of State requested information from various parties ("the first information request").

3. There are matters on which the Secretary of State would be grateful if the parties identified below could provide updates or information as appropriate ("the second information request").

All Interested Parties are invited to comment

4. Responses were received from various parties to the questions raised in the first information request, and these responses were published online on 16 November 2026. **All Interested Parties** are invited to comment upon these documents.

Land Agreements

5. The Applicant and National Grid Electricity Transmission Plc responded to the first information request, stating they wish to submit updated agreed Protective Provisions. The Secretary of State requests the **Applicant** and **National Grid Electricity Transmission Plc** to provide the updated agreed Protective Provisions

now, ahead of the statutory deadline, in order for the Secretary of State to have sufficient time for the Protective Provisions to be considered.

6. The **Applicant** is requested to provide any further updates regarding any land agreements.

DEADLINE FOR RESPONSE

7. The deadline for response is 23:59 on **2 December 2026**.

8. Responses should be submitted by email only to: FosseGreenEnergy@planninginspectorate.gov.uk

9. Responses will be published on the Fosse Green Energy project page of the National Infrastructure Planning website as soon as possible after 2 December 2026: https://national-infrastructure-consenting.planninginspectorate.gov.uk/projects/EN010154

10. This letter is without prejudice to the Secretary of State's consideration of whether to grant or withhold development consent for the Proposed Development or any part of the project. Nothing in this letter is to be taken to imply what the eventual decision might be or what final conclusions the Secretary of State may reach on any particular issue which is relevant to the determination of the application.

Yours faithfully,
