Dear XX,

Peartree Hill Solar Farm Statutory Consultation: Wednesday 15 May to Wednesday 26 June 2024

I'm writing to let you know that we have launched our second round of consultation on plans for Peartree Hill Solar Farm near Beverley, in the East Riding of Yorkshire.

Peartree Hill is a large-scale solar project and associated battery storage spread across several separate land parcels, located to the east of Beverley, extending north towards Leven and will connect into the Creyke Beck Substation via underground cables.

Peartree Hill would generate approximately 320MW of renewable energy, contributing to local and national climate commitments. Due to the size of the project, it is classified as a Nationally Significant Infrastructure Project (NSIP) requiring a Development Consent Order (DCO) to construct and operate the project.

Following the initial consultation period, all feedback was collected and analysed. This feedback has been used alongside ongoing environmental and technical assessments to shape the updated proposals for Peartree Hill.

We will now consult with the community and stakeholders on our refined proposals and use feedback to finalise the design ahead of a DCO submission later this year.

About RWE

The initial plans for Peartree Hill were presented by JBM Solar during the non-statutory consultation. JBM Solar has now been acquired by RWE, one of the three largest solar developers in the UK. It is RWE's ambition to have a carbon neutral energy portfolio by 2040, providing clean, secure and affordable energy to millions of households.

Proposals for Peartree Hill are still led by the same knowledgeable team with the same values. As part of RWE, Peartree Hill will benefit from vast energy expertise, through design, construction and operation.

Have your say

Our statutory consultation runs from **Wednesday 15 May to Wednesday 26 June 2024**.

Please find enclosed with this letter a copy of the statutory consultation brochure, newsletter, and feedback form. These documents, along with a preliminary environmental information report and an online feedback form are available to view on our website: peartreehillsolar.co.uk.

We will be hosting four in-person events during the consultation period to allow the community to view the plans and speak to members of the project team. In addition to these events, we will also be hosting two online webinars as an alternative for those unable to attend in-person. You will find a full list of event details below:

Good afternoon,

We are emailing to inform you about our second round of consultation on proposals for Peartree Hill Solar Farm, a new solar farm project with battery storage, to be located in East Riding of Yorkshire. **The statutory consultation launched today will run until Wednesday 26 June 2024.**

Our proposals have been refined following an initial non-statutory consultation period in Autumn 2023. We now want to hear your thoughts on the progressed design of Peartree Hill. Once again, your views are critical in helping us to deliver a solar farm that not only contributes to local and national energy goals, but also provides tangible benefits to the local community.

All of our consultation materials including the consultation brochure, plans and preliminary environmental information report are available to view on our website peartreehillsolar.co.uk. If you are unable to access the internet, have any accessibility requirements or would prefer a hardcopy of our material please contact us on our details below.

We would greatly appreciate the opportunity to arrange a meeting with yourself to discuss our plans in more detail. Your insights and guidance would be critical in helping to deliver a solar farm that not only contributes to local and national energy goals, but also provides tangible benefits to the local community.

How to get involved

We hope that you take the opportunity to view our plans for Peartree Hill, either online or at one of our events. Your feedback is valuable to us and will be used to help us finalise our proposals ahead of a DCO submission later this year. The deadline for responses is **11:59pm on Wednesday 26 June 2024.**

View our plans and provide us with your feedback by visiting our consultation website at peartreehillsolar.co.uk. You can also register for updates to ensure you receive important notifications about Peartree Hill as the project progresses.

We will be hosting four in-person events during the consultation period to allow the community to view the plans and speak to members of the project team. In addition to these events, we will also be hosting two online webinars as an alternative for those unable to attend in-person. You will find a full list of event details below:

Good afternoon,

We are emailing to let you know that there is just **two weeks remaining** for you, and members of your community, to provide feedback on progressed proposals for Peartree Hill Solar Farm, a new solar farm project with battery storage, to be located in East Riding of Yorkshire.

The statutory consultation launched on Wednesday 15 May and feedback will be accepted until 11:59pm on Wednesday 26 June.

Since launching the consultation, the team has hosted several in-person and online events to offer people the opportunity to meet the project team, provide feedback and ask questions. The in-person events in Cottingham, Leven, Tickton, and Wawne attracted over 150 local people and has already provided the team with valuable insight that will help to shape the final proposals.

We would appreciate your support in continuing to share the details of our consultation on your social media platforms to ensure wider community engagement.

How to get involved

We hope that you take the opportunity to view our plans for Peartree Hill. Your views, as a local representative, are critical in helping us to deliver a solar farm that not only contributes to local and national energy goals, but also provides tangible benefits to the local community. The deadline for responses is **11:59pm on Wednesday 26 June 2024**.

View all our consultation materials and complete an online feedback form by visiting our consultation website peartreehillsolar.co.uk.

On the website, you can also register for updates to ensure you receive important notifications about Peartree Hill as the project progresses.

A physical copy of the consultation documents, along with feedback forms and Freepost envelopes, is available for inspection at a number of deposit locations throughout the consultation period.

Appendix E-3.3 Statutory consultation launch email to seldom heard groups

From: info@peartreehillsolar.co.uk
To: [REDACTED]
Subject: [REDACTED] launched for Peartree Hill Solar Farm
Date: 15 May 2024 16:54:54

Good afternoon,

We are emailing to inform you about our second round of consultation on proposals for Peartree Hill Solar Farm, a new solar farm project with battery storage, to be located in East Riding of Yorkshire. **The statutory consultation launched today and will run until Wednesday 26 June 2024.**

Our proposals have been refined following an initial non-statutory consultation period in Autumn 2023. We now want to hear your thoughts on the progressed design of Peartree Hill. Once again, your views are critical in helping us to deliver a solar farm that not only contributes to local and national energy goals, but also provides tangible benefits to the local community.

All of our consultation materials including the consultation brochure, plans and preliminary environmental information report are available to view on our website peartreehillsolar.co.uk. If you are unable to access the internet, have any accessibility requirements or would prefer a hardcopy of our material please contact us on our details below.

How to get involved

We hope that you take the opportunity to view our plans for Peartree Hill, either online or at one of our events. Your feedback is valuable to us and will be used to help us finalise our proposals ahead of a DCO submission later this year. The deadline for responses is **11:59pm on Wednesday 26 June 2024.**

View our plans and provide us with your feedback by visiting our consultation website at peartreehillsolar.co.uk. You can also register for updates to ensure you receive important notifications about Peartree Hill as the project progresses.

We will be hosting four in-person events during the consultation period to allow the community to view the plans and speak to members of the project team. In addition to these events, we will also be hosting two online webinars as an alternative for those unable to attend in-person. You will find a full list of event details below:

Date	Time	Location
Tuesday 21 May 2024	1pm-7pm	Cottingham Civic Hall Market Green, Cottingham HU16 5QG
Wednesday 22 May 2024	1pm-7pm	Leven Hall North Street, Leven, HU17 5NF
Tuesday 28 May 2024	6:30pm-8pm	Online webinar (Register at peartreehillsolar.co.uk)
Saturday 1 June 2024	11am-3pm	Tickton Village Hall Main Street, Tickton, HU17 9RZ
Monday 3 June 2024	1pm-6.30pm	Wawne Village Hall 36 Main Street, Wawne, HU7 5XH
Wednesday 12 June 2024	6:30pm-8pm	Online webinar (Register at peartreehillsolar.co.uk)

A physical copy of the consultation documents, along with feedback forms and Freepost envelopes, will be available for inspection at a number of deposit locations throughout the consultation period.

Locations	Opening times
Beverley Library, Champney Road, Beverley, HU17 8HE	Monday 9:30am-5pm Tuesday 9:30am-8pm Wednesday 9:30am-5pm Thursday 9:30am-8pm Friday 9:30am-5pm Saturday 9am-4pm
Leven Library, Recreation Hall, East Street, Leven, Beverley, HU17 8HE	Wednesday 10:30am-12:30pm, 3:30pm-7pm

Consultation documents will also be available to view at Tickton Village Hall (Main Street, Tickton, HU17 9RZ) when the village hall is open.

In the meantime, if you have any questions about the project, please do not hesitate to contact the communications team by responding to this email or calling our communications team on 01482 695 004.

Many thanks

Appendix E-5 Correction letter

ADDRESS

15 May 2024

Dear [title] [last name],

CORRECTION: PEARTREE HILL SOLAR FARM CONSULTATION LETTER AND BROCHURE

We are writing in relation to RWE Renewables UK Solar and Storage Limited's proposals for Peartree Hill Solar Farm, located in the East Riding of Yorkshire. We wrote to you on 13 May 2024 regarding our statutory consultation which runs from Wednesday 15 May 2024 until 11.59pm on Wednesday 26 June 2024. Unfortunately, there were some errors in the initial covering letter and enclosed brochure sent to you on 13 May 2024.

The consultation brochure enclosed with the letter contained an error. The incorrect land area plan was printed on page 11 for 'Land area B: Land North West of Long Riston'. Please find enclosed a corrected version of page 11 with the correct land area plan for Land Area B. All other plans are correct. The consultation documents on our website www.peartreehillsolar.co.uk are correct.

If you would like an updated brochure sent to you in the post, please contact the project team by email at info@peartreehillsolar.co.uk, by telephone on 01482 695004 or writing to us at Freepost PEARTREEHILL SOLAR FARM (no stamp required).

In addition, on the original covering letter there was also an error in the address for the consultation event being held in Leven.

Please note the corrected details for the event:

Date: Wednesday 22 May 2024

Time: 1pm-7pm

Location: Leven Hall, North Street, Leven, HU17 5NF

The venues and dates for our other events remain unchanged.

We sincerely apologise for any inconvenience these errors may have caused and want to ensure that you have the correct information to participate in our consultation process effectively.

If you have any questions or concerns, please feel free to reach out to our communications team at info@peartreehillsolar.co.uk or call us at **01482 695 004**.

Yours sincerely,

Mike Greslow
