Works Plans

Revision 2

Application Document Ref: EN010157/APP/2.2

July 2025

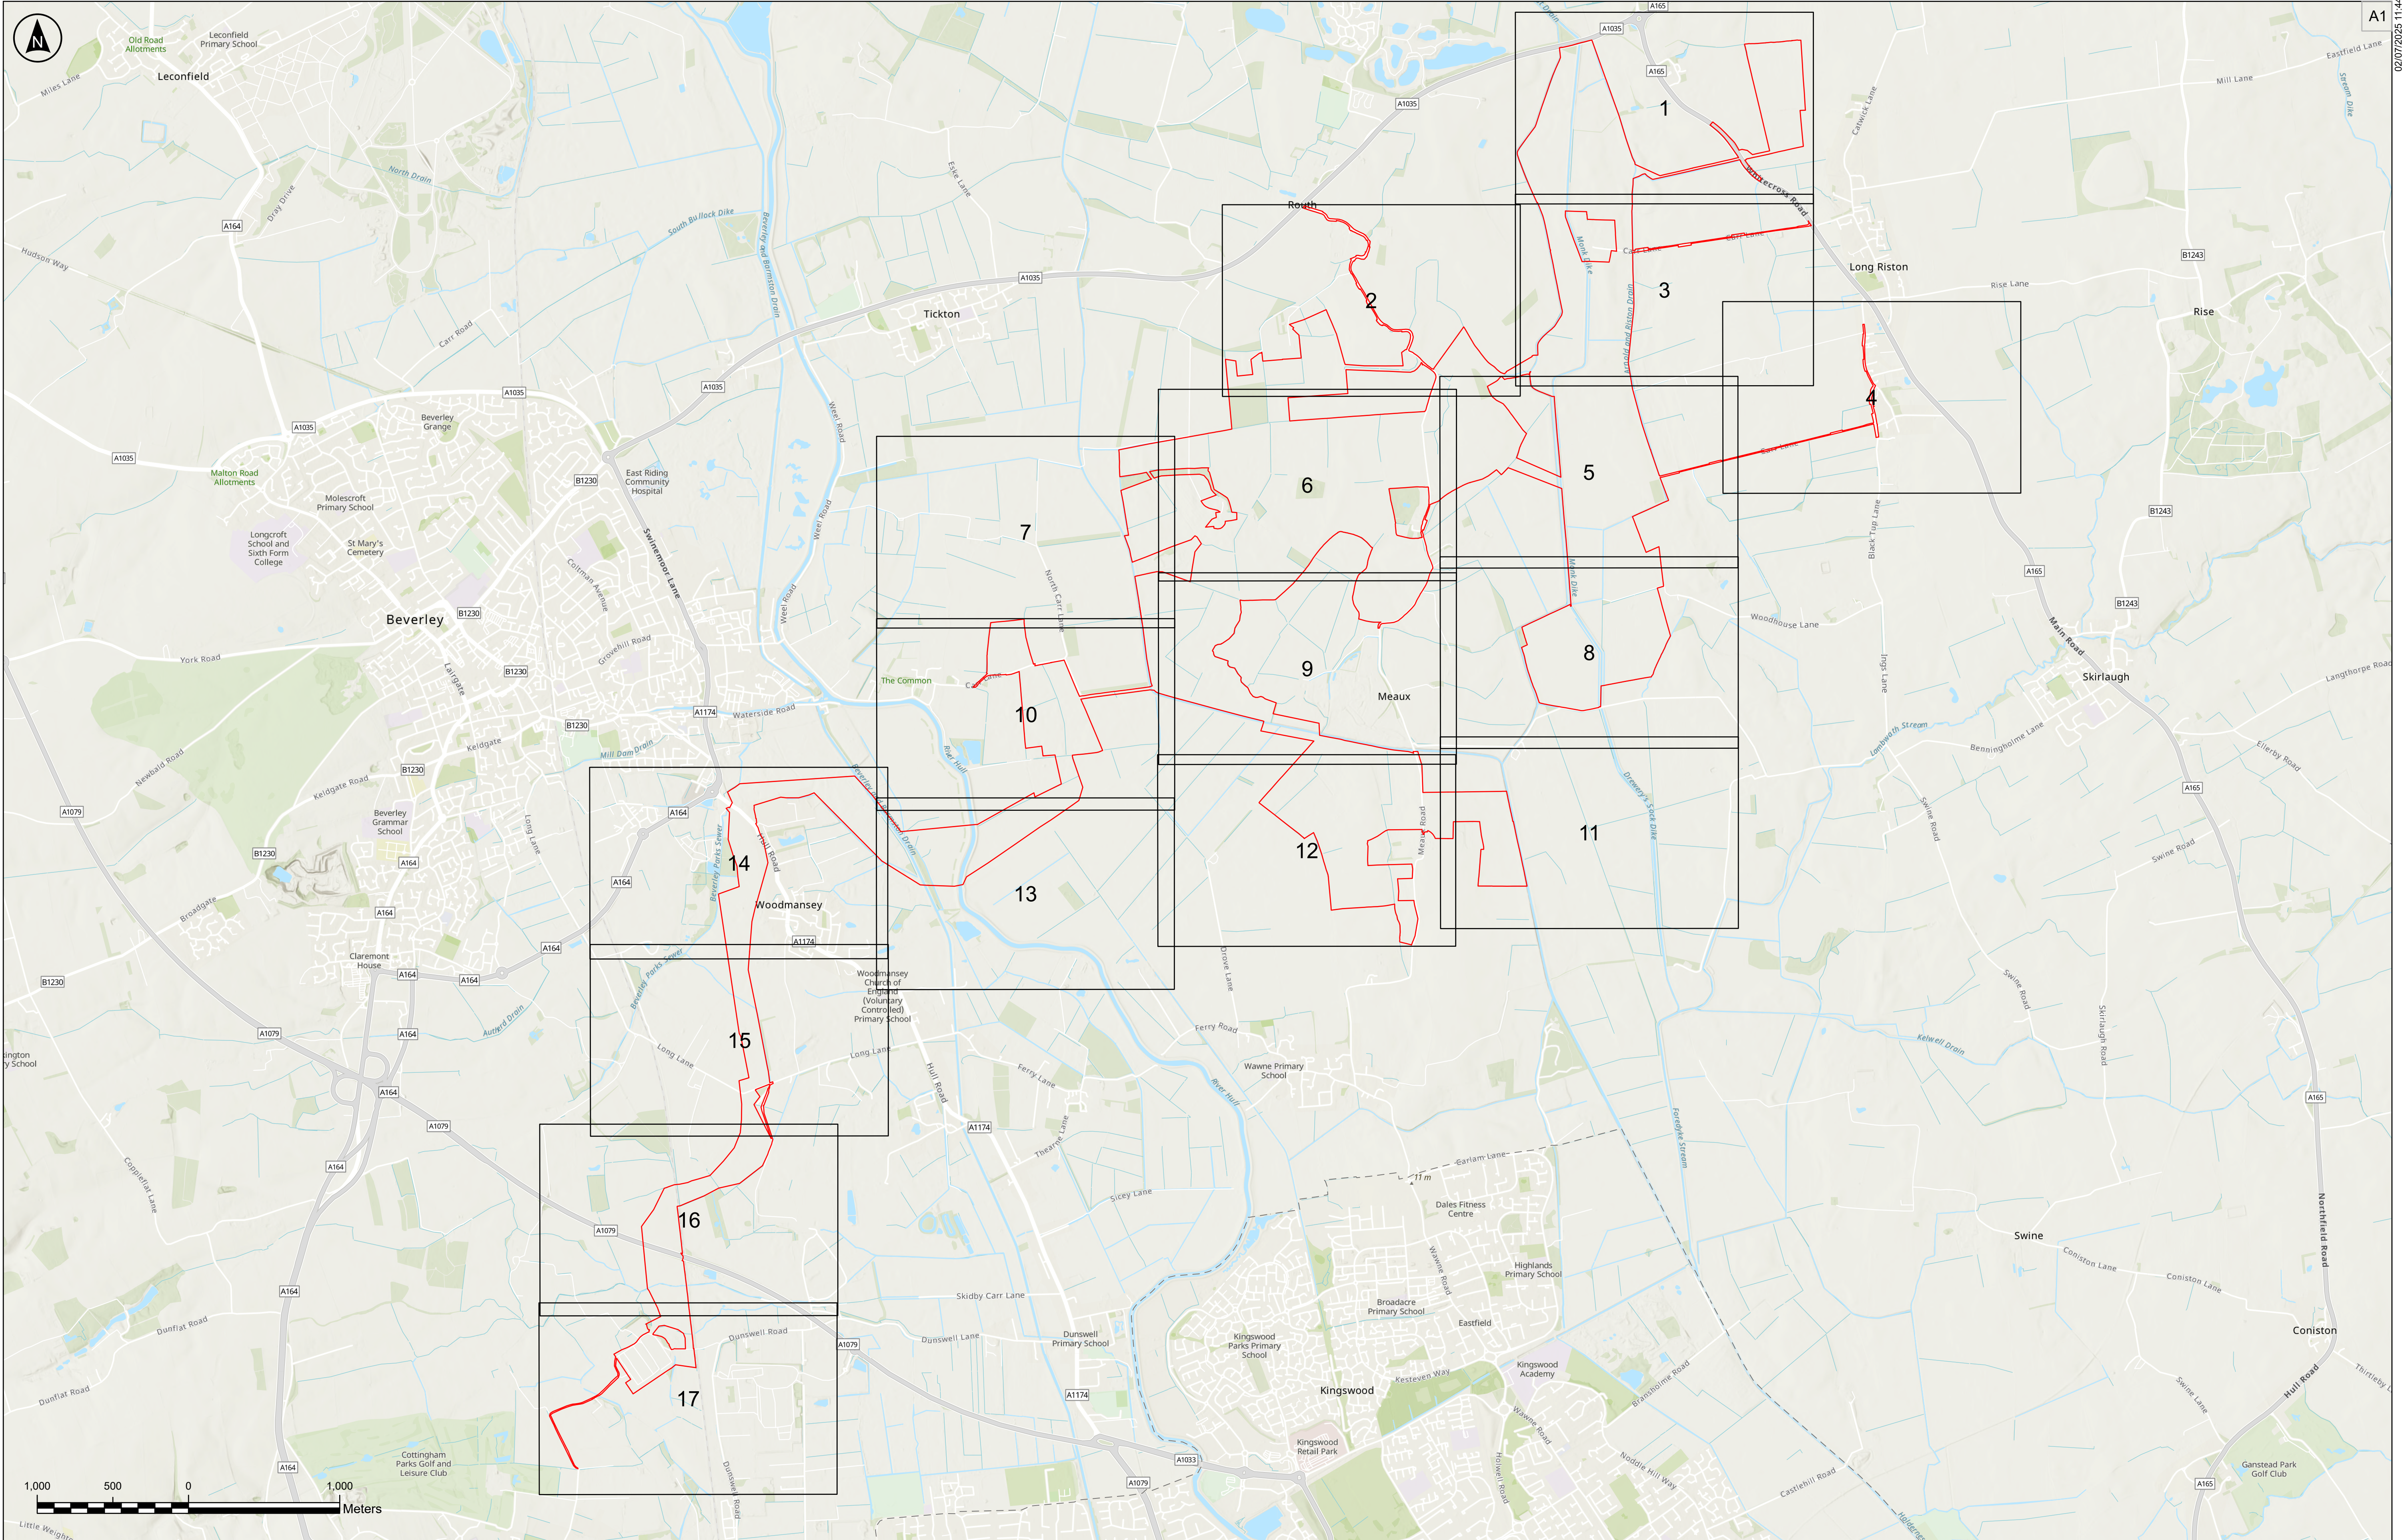

Planning Act 2008

Infrastructure Planning

(Applications: Prescribed Forms

and Procedure) Regulations 2009 –

Regulation 5(2)(a)

Key

- ORDER LIMITS
- SHEETS

Notes:

1. These works show the Order Limits and the works comprised in the authorised development, which are described in Schedule 1 (Authorised Development) of the draft Development Consent Order.

2. These plans should be read in conjunction with the Land plans [EN010157/APP/ 2.4].

3. The proposed works will be subject to detailed design development. Any changes will be limited to being within the Order Limits and subject to the requirements of Schedule 2 to the Development Consent Order [EN010157/APP/ 3.1].

4. These plans show some works taking place in combination with each other on the same area of land. The Applicant seeks authorisation for any combination of the Work Nos. shown within that area (including on insets).

5. The Limits of Deviation for Work No. 7 (temporary construction and decommissioning compounds) are shown in combination with other numbered works. This signifies that the Applicant seeks authorisation to construct the other Work Nos. indicated within that combined Limit of Deviation (or as shown in inset) once the temporary construction laydown area comprised in Work No. 7 is no longer required.

Notes:

1. These works show the Order Limits and the works comprised in the authorised developed, which are described in Schedule 1 (Authorised Development) of the draft Development Consent Order.

2. These plans should be read in conjunction with the Land plans [EN010157/APP/ 2.4].

3. The proposed works will be subject to detailed design development. Any changes will be limited to being within the Order Limits and subject to the requirements of Schedule 2 to the Development Consent Order [EN010157/APP/ 3.1].

4. These plans show some works taking place in combination with each other on the same area of land. The Applicant seeks authorisation for any combination of the Work Nos. shown within that area (including on insets).

5. The Limits of Deviation for Work No. 7 (temporary construction and decommissioning compounds) are shown in combination with other numbered works. This signifies that the Applicant seeks authorisation to construct the other Work Nos. indicated within that combined Limit of Deviation (or as shown in inset) once the temporary construction laydown area comprised in Work No. 7 is no longer required.
