## Planning Act 2008 and The Infrastructure Planning (Examination Procedure) Rules 2010 – rule 13

### Application by RWE Renewables UK Solar and Storage Limited for an order granting development consent for Peartree Hill Solar Farm (EN010157)

#### Notification of hearings

Following the Examining Authority's [rule 13 letter](#) dated 23 September 2025, which included information relating to hearings, we are writing to confirm the following updates to the hearing schedule.

#### Rescheduling of Issue Specific Hearing 2 (ISH2)

Please note that **Issue Specific Hearing 2 (ISH2)**, originally scheduled for **Wednesday 22 and Thursday 23 October 2025**, has been **rescheduled to Thursday 23 October 2025 only**, due to a planned power outage in the Tickton area between **09:30am and 16:30pm on Wednesday 22 October 2025**, which directly conflicts with the original hearing start date and time.

Registration and seating for **ISH2** will begin at **09:00am**, and the hearing will begin at **09:30am**. The venue and blended format for ISH2 remains the same.

The Examining Authority regrets any inconvenience this may cause. A link to the livestream will be made available on the [project webpage](#) shortly before the event is scheduled to begin. Joining instructions for hearings will be issued by the case team via email shortly before the hearing dates.
