Dear Jake Stephens,

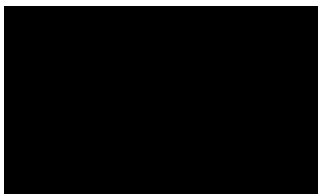

Development Consent for Peartree Hill Solar Farm: EN010157

**Applicants' submission – Response to Rule 17 (request for further information)
(10 December 2025)**

On 3 December 2025, the Examining Authority ("ExA") issued a letter under Rule 17 of the Infrastructure Planning (Examination Procedure) Rules 2010 requested further information from the Applicant and Humberside Fire and Rescue Service.

This letter encloses the Applicant's summary of the submission made in response to this Rule 17 – Request for further information letter. I would be grateful if you would please acknowledge safe receipt of this letter and the enclosed documents.

Kind regards,

Lead DCO Development Project Manager

RWE Solar and Storage UK Ltd

Summary of Rule 17 - Request for further information Submission

Please find below a list of documents which form the Applicant's submission in response to the Rule 17 – Request for further information letter. Where the document updates a previously submitted document it is confirmed that a clean and tracked version has been submitted.

Schedule of the latest versions of the applicant's submission documents and documents to be certified

- Introduction to the Application [EN010157/APP/1.2 Revision 13]

For updated versions of the DCO Application documents being submitted, the Applicant has applied the Proposed Development's reference system and included the Revision number within this in order to clearly indicate which is the most up to date version of that document. For clarity, where the Applicant has referred to DCO Application documents that have not been updated for this deadline, the Examination Library reference provided by the Planning Inspectorate has been used.

It is considered that this **Cover Letter** provides the necessary detail on the purpose of new documents and plans and also the reasons for changes to any document or plan included in each update. As such. It is not proposed to produce a 'Schedule of New and Updated Document and Plan Updates' at each deadline.
