Submission prior to deadline 6.

I'd like to place on record my ongoing concerns with regard to the non statutory consultee status of the Humberside Fire and Rescue Service.

I believe the Ex A and RWE have overlooked the fact that the cost of of any inspections and the cost of any incidents will fall on the East Riding Council taxpayer and not on the developer and that's something that is very regrettable.

Can RWE assure me, and The Ex A,, that this will not be the case?
