Dear [REDACTED],

Development Consent for Peartree Hill Solar Farm: EN010157

Applicant's response to request for information

On 17 June 2026, the Examining Authority ("ExA") issued a letter under the Infrastructure Planning (Examination Procedure) Rules 2010 which requested information relating to Crown consent.

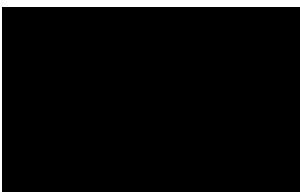

The parties are in the process of arranging for execution of the Crown consent documents for the purposes of section 135 of the Planning Act 2008.

Both parties are making every effort to ensure that the Crown's signed section 135 consent letter can be provided to the Secretary of State by Friday 26 June 2026. However, should this not prove possible, the parties can confirm that the consent letter will be provided no later than Tuesday 30 June 2026.

This update has been agreed with the Crown Estate's legal representatives.

I would be grateful if you would please acknowledge safe receipt of this letter and the enclosed documents.

Kind regards,

Lead DCO Development Project Manager

RWE Solar and Storage UK Ltd
