LEGEND:

Order limits - the area within which the authorised development may be carried out.

For clarity, land shaded in yellow does not fall within the Order limits or Order land.

NOTES:

1. Ordnance Survey (OS) MasterMap data adopted as the drawing base map.

2. The location of features shown are indicative only. Exact locations to be confirmed on site.

3. Additional features may be present on site that have not been identified on the OS MasterMap data.

4. The Land Plans should be read in conjunction with the draft Development Consent Order, Book of Reference and other plans and documents to be certified by it.

5. The Land Plans are drawn to OS MasterMap data and Land Registry boundaries. In some locations the Land Registry boundaries differ from the OS MasterMap data which results in Limits of Deviation and/or the Order Limits not aligning with the line work shown on the base map.
