Dear Rebecca,

**Application by Rosefield Energyfarm Limited: Rosefield Solar Farm
(Application Reference: EN010158)**

Deadline 3 Submissions

On behalf of Rosefield Energyfarm Limited (the 'Applicant'), we write to provide the Applicant's written submissions for Deadline 3 of the Rosefield Solar Farm Development Consent Order (DCO) Examination.

Appendix 1 of this letter provides an overview of the documents submitted by the Applicant at Deadline 3.

Table 1 (Appendix 1) comprises the application documents for which updated versions are being submitted and summarises the reasons why each document has been updated. Each updated document has been submitted with both clean and tracked change versions to aid the Examining Authority (the 'ExA') in identifying the changes. The exceptions to this are where Figures have been updated and a Revisions Schedule has instead been provided for clarity. Table 2 (Appendix 1) comprises the new documents being submitted at Deadline 3.

We trust that this is useful and please do not hesitate to contact us if you require any further information.

Yours sincerely,

Naomi Heikalo
Project Development Manager
On behalf of Rosefield Energyfarm Limited
