A.9 List of Buried Heritage Assets Scoped Out Buried Heritage

- A.9.1.1. Table 1 below presents the list of Buried Heritage Assets scoped out from the Buried Heritage ES chapter, along with the justification.
- A.9.1.2. The assets have been grouped following the same methodology used and discussed as part of the Desk-Based Assessment (**ES Volume 3: Appendices [EN010159/APP/6.21] Appendix 9.3**).

Table 1 List of Buried Heritage Assets scoped out

Group	Reason
PH003	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PH004	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PH005	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PH006	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PH007	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PH008	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PH009	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
RO002	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
RO005	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
RO006	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
RO007	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
RO008	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.

Group	Reason
RO009	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
RO010	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
RO011	These assets lie outside of the Site and/or have been physically removed from the Site and therefore no physical impacts are expected to be affecting the group.
ME002	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME003	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME004	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME005	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME007	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME010	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME011	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME012	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME013	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME014	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME015	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME016	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME017	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME018	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME019	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.

Group	Reason
ME020	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME021 (NHLE: 1008247)	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME022 (NHLE: 1017858)	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
ME023 (NHLE: 1008594)	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PM003	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PM004	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PM005	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PM006	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PM007	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PM008	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PM009	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PM010	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PM011	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
PM012	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
UN001	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
UN003	These assets lie outside of the Order Limits and therefore no physical impacts are expected to be affecting the group.
Isolated findspots and casual/unstratified finds	As findspots, these have been physically removed from the Order Limits and the heritage significance of their former locations will not be harmed by the Proposed Development.
