Notes														
	A scheme has been taken to be 'reasonably foreseeable' where the current status is approved, recommendation, decision by County Council to approve, no objection, issued, no observations/objections, consented or post-decision.													
	A scheme has been taken to be temporary where some element of the project is provision of solar PV panels. Other schemes are generally permanent.													
	Non-Ag= Non-agricultural; N/S= Not surveyed
