1. Introduction

- 1.1.1 This **Book of Reference** has been prepared on behalf of the Applicant. It presents the interests identified through the Applicant's diligent land referencing enquiries for the proposed solar farm with associated battery storage located at the border of Nottinghamshire and Lincolnshire which would connect into the National Grid at High Marnham in Nottinghamshire (the "Proposed Development") and accompanies the application for development consent.
- 1.1.2 This document has been prepared and submitted in compliance with Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 ("APFP Regulations"). This document has been submitted at Deadline 1. The document references have not been updated from the original submission. Please refer to the Guide to the Application [EN010159/APP/1.3] for the list of current versions of documents.
- 1.1.3 The Book of Reference is to be read in conjunction with Land Plans (Document ref. EN010159/APP/2.2.3), the Statement of Reasons (Document ref. EN010159/APP/4.1.3) and the Draft DCO (Document Ref. EN010159/APP/3.1.2) (also referred to in this document as "the Order"). The document references have not been updated from the original submission. Please refer to the Guide to the Application [EN010159/APP/1.3.2] for the list of current versions of documents.
- 1.1.4 The Land Plans (Document ref. EN010159/APP/2.2.3) are submitted under regulation 5(2)(i) of the APFP Regulations. The Land Plans (Document ref. EN010159/APP/2.2.3) identify all of the land required for the Proposed Development or required to facilitate or is incidental to the Proposed Development and over which compulsory acquisition powers, temporary possession powers or rights acquisition powers are being sought (the "Order Land").
- 1.1.5 A separate set of **Crown Land Plans (Document Ref. EN010159/APP/2.8)** as required by Regulation 5(2)(n) are submitted to identify land that possesses a Crown interest within the Order Land.
- 1.1.6 A separate set of **Special Category Land Plans (Document Ref. EN010159/APP/2.9)** as required by Regulation 5(2)(i)(iv) are submitted to identify special category land within the Order Land.

2. Book of Reference and Land Plans

- 2.1.1 This Book of Reference identifies the extent of acquisition or use being sought over each plot of land which corresponds to specific articles in the Draft DCO (Document Ref. EN010159/APP/3.1.2). A detailed explanation of the powers being sought and the justification for those powers can be found in the Statement of Reasons (Document ref. EN010159/APP/4.1.3) and the Explanatory Memorandum (Document Ref. EN010159/APP/3.2).
- 2.1.2 The **Book of Reference** is divided into five Parts as prescribed by Regulation 7(1) of the APFP Regulations.
- 2.1.3 Each of the five Parts is summarised below, together with a brief commentary on how the requirements in the APFP Regulations have been interpreted and applied to the collation of each part of the **Book of Reference** for the Order.
- 2.1.4 The Order Land is identified by numbered entries on the Land Plans (Document ref. EN010159/APP/2.2.3) and in the Book of Reference. Each plot is numbered uniquely so that the prefix of the plot number relates to the Land Plans (Document ref. EN010159/APP/2.2.3) sheet number on which the plot first appears.
- 2.1.5 All plot area measurements in the **Book of Reference** are approximate, as these measurements are given in square metres, and each measurement is rounded up to the nearest whole square metre.
- 2.1.6 Each plot is coloured on the Land Plans (Document ref. EN010159/APP/2.2.3). The Land Plans (Document ref. EN010159/APP/2.2.3) show land over which compulsory acquisition powers, temporary possession powers and rights acquisition powers are sought. On the Land Plans (Document ref. EN010159/APP/2.2.3) the plots are coloured to show the type of power that is required over each plot of land to deliver the Proposed Development. These are:
 - > Pink: power to compulsorily acquire all freehold and leasehold interests
 - > Yellow: power to temporarily possess all freehold and leasehold interests
 - Blue: power to compulsorily acquire rights by the creation of new rights or the imposition of restrictive covenants

3. Part 1 of the Book of Reference

- 3.1.1 Part 1 of the **Book of Reference** is described in Regulation 7(1)(a) as follows:
 - "...Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to;
 - powers of compulsory acquisition;
 - rights to use land, including the right to attach brackets or other equipment to buildings; or
 - rights to carry out protective works to buildings.."
- 3.1.2 Category 1 persons are defined within section 57 of the Planning Act 2008 as those who own, lease, hold a tenancy in relation to or occupy land within the Order Land.
- 3.1.3 Category 2 persons are those who have an interest in land within the Order Land or have the power to sell and convey or to release such land.
- 3.1.4 Part 1 of the **Book of Reference** contains the names and addresses of each person within Category 1 and 2.

4. Part 2 of the Book of Reference

- 4.1.1 Part 2 of the **Book of Reference** is described in Regulation 7(1)(b) as follows:
 - "...Part 2 contains the names and addresses for service of each person within Category 3 as set out in section 57;"
- 4.1.2 Category 3 persons are defined as those who would or might be entitled to make a 'relevant claim' (being a claim under section 10 of the Compulsory Purchase Act 1965 and / or under Part 1 of the Land Compensation Act 1973 and / or under section 152(3) of the Planning Act 2008) as a result of the implementation of the Order, as a result of the Order having been implemented, or as a result of the use of the land once the Order had been implemented.
- 4.1.3 It is considered that Category 3 contains parties with legal rights or interests over the land within the Order Land. Category 3 also contains persons with interests in land outside the Order Land who, it is considered, might be able to make a relevant claim (as defined above).

5. Part 3 of the Book of Reference

- 5.1.1 Part 3 of the **Book of Reference** is described in Regulation 7(1)(c) as follows:
 - "...Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with:"
- 5.1.2 Part 3 of the **Book of Reference** contains the names of all those persons who it is considered may have their private rights over land affected by the Order.
- 5.1.3 Certain relevant persons included within Part 1 of the **Book of Reference** have also been included within Part 3 where their rights may be affected. Examples include statutory undertakers with services in or under the Order Land, and whose rights over the Order Land are likely to be affected whether the Order Land is required permanently, temporarily or for the acquisition of rights.

6. Part 4 of the Book of Reference

- 6.1.1 Part 4 of the **Book of Reference** is described in Regulation 7(1)(d) as follows;
 - "...Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the Order for which application is being made;"
- 6.1.2 Where Crown interests in the Order Land have been identified, these are listed in Part 4, and the relevant plots are also shown on the **Crown Land Plans** (**Document Ref. EN010159/APP/2.8**) to signify that it is Crown land.

7. Part 5 of the Book of Reference

- 7.1.1 In accordance with Regulation 7(1)(e) of the APFP Regulations, Part 5 identifies land which constitutes "special category land" for the purposes of section 132 of the Planning Act 2008 that will be affected by the Proposed Development and the rights contained in the Order. This is land;
 - the acquisition of which is subject to Special Parliamentary Procedure under particular circumstances;
 - which is special category land (meaning land which forms all or part of a common, open space, National Trust land held inalienably and fuel and field garden allotments)
 - > which is replacement land.
- 7.1.2 The special category land includes land identified as common land. The Applicant is satisfied that the special category land (common land) when burdened with the rights under the Order, will be "no less advantageous than it was before" to those persons set out in section 132(3) of the Planning Act 2008. The Applicant's justification as to why section 132(3) applies is set out in the **Statement of Reasons (Document ref. EN010159/APP/4.1.2)**.
- 7.1.3 The Applicant is therefore of the opinion that while it has identified common land within the Order Land, there is no requirement for the provision of replacement or exchange land.
- 7.1.4 The location of any land which is special category land to be used either permanently, temporarily or for the acquisition of rights is shown on **Special Category Land Plans (Document Ref. EN010159/APP/2.9)** and noted within Part 5 of the Book of Reference.
