Date: 19 December 2025

Planning Act 2008 and The Infrastructure Planning (Examination Procedure) Rules 2010 –Rule 8(3)

Application by One Earth Solar Farm Ltd for an order granting development consent for the One Earth Solar Farm

Notice of a variation to the timetable

Considering the limited availability between deadlines and the Christmas bank holidays, in order to give all parties the opportunity to respond appropriately to final submissions. I write to provide notification that the Examining Authority (ExA) has made a procedural decision to vary the examination timetable this variation is set out in Annex 1.

The variation is made in order to ensure that the Examining Authority receives clear positions from all parties by the end of the examination and that time is allowed for the applicant to consider final submissions by other parties.

There is no longer a deadline on 22 December 2025, and a deadline has been added for 6 January 2025.

Yours sincerely

Edwin Maund

Lead member of the panel of Examining Inspectors
