Dear Secretary of State,

**One Earth Solar Farm Development Consent Order ('DCO') submitted by One Earth Solar Farm Limited ('the Applicant')**

**Our Client: Northern Powergrid (Yorkshire) PLC**

We write on behalf of Northern Powergrid (Yorkshire) PLC ('our Client'), further to its objection to the DCO dated 15 May 2025.

We can confirm that the Applicant and our Client have now reached an agreement on the bespoke protective provisions to be included in the DCO.

The agreement of the bespoke protective provisions and the completion of the Asset Protection Agreement will resolve our Client's concerns for the scheme. Our Client therefore agrees to the protective provisions being inserted into the DCO. Engrossments for the Asset Protection Agreement will be in circulation week commencing 18 May 2026 and the parties are due to complete this as soon as practically possible and by no later than **2 weeks from the date of this letter, i.e. by 29 May 2026**. Following completion, we will write to you further to formally withdraw our Client's objection.

Yours faithfully,

**Weightmans LLP**
