**Subject:** One Earth Solar - Request for information

**Follow Up Flag:** Follow up  
**Flag Status:** Flagged

**Categories:** EO

Good afternoon,

I refer to the request for further information relating to the progression of the protective provisions document. I would advise that while discussions are being undertaken between the developer and Boards legal representatives the document has not currently reached a point of agreement between parties.

I would advise further that there is no memorandum of understanding or statement of common ground in place and at this time the Board are not in receipt of a crossing schedule.

I hope that the above is of assistance.

Regards
