THE PLANNING ACT 2008 AND THE INFRASTRUCTURE PLANNING (ENVIRONMENTAL IMPACT ASSESSMENT) REGULATIONS 2017

NOTICE OF A DECISION ON AN APPLICATION FOR AN ORDER GRANTING DEVELOPMENT CONSENT FOR EIA DEVELOPMENT

The Secretary of State for Energy Security and Net Zero (“the Secretary of State”) gives notice under regulation 31(2) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 that a determination has been made on an application made by National Grid Electricity Transmission plc (“the Applicant”) for development consent under the Planning Act 2008 (“the 2008 Act”) for development that constitutes “Environmental Impact Assessment development” as defined in the 2017 Regulations.

The application is for the construction, operation and maintenance, and decommissioning of a solar photovoltaic (“PV”) array electricity generating facility. The project includes solar PV panels, battery energy storage systems (“BESS”), on-site substations and associated grid connection infrastructure which will allow for the generation and export of 740 megawatts (“MW”) of electricity to the proposed National Grid High Marnham Substation. The Proposed Development lies within Nottinghamshire County Council (“NCC”), Lincolnshire County Council (“LCC”), Bassetlaw District Council (“BDC”), Newark and Sherwood District Council (“NSDC”) and West Lindsey District Council (“WLDC”) administrative areas.

The Secretary of State has decided, following consideration of the report of the Examining Authority who conducted an examination into the application, that development consent should be granted for the Proposed Development.

The statement of reasons for deciding to make an Order granting development consent, which has been prepared by the Secretary of State under section 116 of the 2008 Act and regulation 31(2) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017, containing the content of the decision, the requirements imposed in connection with the development, the main reasons and considerations on which the decision is based including relevant information about the participation of the public, a description of the main features to avoid, reduce and offset any major adverse effects of the development, is published on the Planning Inspectorate’s website:

<https://national-infrastructure-consenting.planninginspectorate.gov.uk/projects/EN010159>

The statement of reasons contains the information required by regulation 30(2) including information regarding the right to challenge the decision and the procedures for doing so.

Hard copies of the decision documentation will also be available to inspect at the Planning Inspectorate’s offices (by appointment using the contact details below):
