# 1 INTRODUCTION

## 1.1 Purpose of this document

1.1.1 This Book of Reference (BoR) relates to an application made by Elements Green Limited (the "Applicant") to the Secretary of State for Energy Security and Net Zero via the Planning Inspectorate (the "Inspectorate") under the Planning Act 2008 (the "2008 Act") for a Development Consent Order (DCO). If made, the DCO would grant consent for Great North Road Solar and Biodiversity Park ("GNR"). A detailed description of GNR can be found Chapter 5 of the ES (of Volume 2 the Environmental Statement submitted in support of the Application **(EN010162/APP/6.2.5)**

1.1.2 This BoR lists the plots of land over which the Applicant is seeking powers of compulsory acquisition (Article 22) and powers of temporary possession (Article 31 & 32) in the draft DCO **(EN010162/APP/3.1)** for the purposes of GNR. For each plot it identifies whether the Applicant is seeking the power to acquire all interest in that plot (including the freehold), the power to create and/or acquire permanent rights or to impose restrictive covenants over the plot, or whether it is not subject to the powers of compulsory acquisition or temporary use of land.

1.1.3 This BoR has been prepared and submitted in compliance with Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the "2009 Regulations"), as amended, and in accordance with the Department for Communities and Local Government guidance 'Planning Act 2008: Guidance related to procedures for compulsory acquisition' (September 2013).

1.1.4 As this BoR is part of the Application Documents it should be read in conjunction with the Land Plans **(EN010162/APP/2.2)**, the Statement of Reasons **(EN010162/APP/2.2)** and the draft DCO **(EN010162/APP/3.1).**

1.1.5 This BoR is divided into five parts as prescribed by Regulation 7(1) of the 2009 Regulations. Each of the five Parts are summarised in the next chapter, together with a brief commentary on how the requirements in the Regulations have been interpreted and applied to the collation of each Part of the BoR.

# 2 BOOK OF REFERENCE DESCRIPTION

## 2.1 Part 1 Description

2.1.1 Regulation 7(1)(a) of the 2009 Regulations states;

*Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to –*

*I. powers of compulsory acquisition;*

*II. rights to use land, including the right to attach brackets or other equipment to buildings; or*

*III. rights to carry out protective works to buildings*

2.1.2 Part 1 of this BoR contains the names and addresses of each person within Categories 1 and 2, as set out in Section 57 of the 2008 Act, along with the area of each plot of land in which the development will be carried out.

2.1.3 A person is within Category 1 if the Applicant after making diligent inquiry, knows that they are an owner, lessee, tenant, or occupier of the land. A person is within Category 2 if they are interested in the land or have the power to sell and convey or release the land.

2.1.4 Parties recorded in Part 3 of this Book of Reference have also been included in Part 1.

## 2.2 Part 2 Description

2.2.1 Regulation 7(1)(b) of the 2009 Regulations states;

*Part 2 contains the names and addresses for service of each person within Category 3 as set out in section 57.*

2.2.2 A person is within Category 3 if, having made diligent enquiry, the Applicant believes that, if the DCO were to be made and fully implemented, they would or might be entitled to make a relevant claim as defined in section 57(6) of the 2008 Act. A relevant claim is a claim under section 10 of the Compulsory Acquisition Act 1965, a claim under part 1 of the Land Compensation Act 1973, or a claim under section 152(3) of the 2008 Act.

2.2.3 As explained in the Statement of Reasons **(EN010162/APP/4.1),** the Applicant has not identified any persons with an interest outside of the Order Limits who it believes are likely to be entitled to make a relevant

claim. Accordingly, no persons are listed in Part 2 of the Book of Reference.

## 2.3 Part 3 Description

2.3.1 Regulation 7(1)(c) of the 2009 Regulations states;

*Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with.*

Examples include tenants of the land, or statutory undertakers with services in or under the land, and whose rights over the land are likely to be affected whether the land is required permanently or temporarily.

2.3.4 Parties recorded in Part 3 of this BoR have also been included in Part 1.

## 2.4 Part 4 Description

2.4.1 Regulation 7(1)(d) of the 2009 Regulations states;

*Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made*

2.4.2 The Applicant, following diligent enquiry, has not identified any Crown land or Crown interest in land, therefore there are no entries in Part 4 of the BoR.

## 2.5 Part 5 Description

2.5.1 Regulation 7(1)(e) of the 2009 Regulations states;

*Part 5 specifies land –*

*i. the acquisition of which is subject to special parliamentary procedure;*

*ii. which is special category land*

*iii. which is replacement land*

2.5.2 The Applicant, following diligent enquiry, has not identified any special category land for the purposes of sections 130, 131 and 132 of the 2008 Act, therefore there are no entries in Part 5 of the BoR.

# 3 BOOK OF REFERENCE NOTES

3.1.1 Part 1 of this BoR provides the area in square metres of each plot of land included in the DCO. Areas have not been repeated in Parts 2 to 5 of this BoR.

3.1.2 The term 'approximately' is used before all plot area measurements as these measurements are given in square metres and each measurement is rounded up to the nearest whole square metre.

3.1.3 Each plot of land shown in this BoR has been given a unique reference. The first number relates to the Land Plans sheet on which the plot is located. The second number differentiates between plots formed of different title numbers, land ownerships or the purposes for which the land is required. The numbers given to each title are assigned from south to north following the flow of the Land Plans sheets **(EN010162/APP/2.2)**.

3.1.4 To assist with identification, the details of any current known title numbers under which the land is registered at the Land Registry have been included in column (2) of Part 1 of the BoR. These are for indicative purposes only.

3.1.5 The description of each plot of land includes reference to the principal land use power(s) sought in the draft DCO in respect of that plot. The table below is provided to explain the relationship between this BoR, the draft DCO **(EN010162/APP/3.1)** and the Land Plans **(EN010162/APP/2.2)** and to clarify the powers sought in relation to compulsory acquisition and temporary possession.

**Table 3.1 - Relationship with the Land Plans and DCO**

| Colour of the plot on Land Plans | Description of the plot in the Book of Reference | Principal land use power sought | Principal relevant DCO Article |
|---|---|---|---|
| Pink – "Land to be Acquired" | "All interests in…" | Compulsory acquisition of all interests and rights in land | Article 22 |
| Blue – "Acquisition of Rights by the Creation of New Rights or the Imposition of Restrictive Covenants " | "Acquisition of Rights by the Creation of New Rights or the Imposition of Restrictive Covenants over…" | Creation and compulsory acquisition of permanent new rights and/or the imposition of restrictive covenants | Article 24 and Schedule 8 |
| Yellow - "Land not Subject to Compulsory Acquisition or Temporary Use" | "No compulsory acquisition or temporary use powers sought in respect of… | Interference with private rights and overriding of easements | Articles 25 and 28 |

| | | | |
|---|---|---|---|
| Grey – "Land Outside of the Limits of Land to be Acquired or Used" | Not Applicable | Not Applicable | Not Applicable |

3.1.6 All of the land shown Pink and Blue on the Land Plans **(EN010162/APP/2.2)** are proposed to be subject to powers of temporary possession in Articles 31 and 32.

3.1.7 All of the land shown coloured Pink, Blue and Yellow on the Land Plans **(EN010162/APP/2.2)** is proposed to be subject to the powers to extinguish or suspend private rights pursuant to Article 25 of the DCO **(EN010162/APP/3.1)** and the power to override easements and other rights in Article 28 of the Order.

3.1.8 The powers to compulsorily acquire land in Article 22 or to take temporary possession of land in Articles 32 and 33 do not apply in respect of the land coloured Yellow on the Land Plans **(EN010162/APP/2.2)**.

3.1.9 Land shown coloured grey on the Land Plans is outside of the DCO Order Limits and is not referenced in the BoR.

## 3.2 How to use this Book of Reference

3.2.1 The table below provides a step by step guide to enable any person with an interest in the land to identify how the Applicant's proposals may affect the land in which they have an interest.

**Table 3.2 - How to use this Book of Reference**

| |
|---|
| **Step One** |
| Look at the Land Plans **(EN010162/APP/2.2)** and find the area (plot(s)) of land in which you have an interest. |
| **Step Two** |
| Note the colour and the number of the plot(s).<br><br>Using table 3.1 above, the colour of the plot(s) will tell you of the primary purpose for which it is required. |
| **Step Three** |
| Use the plot(s) number to identify where the land is referred to in other DCO Application documents:<br><br>This Book of Reference –<br><br>Which provides a brief description of each plot (including an approximate area measurement) and details of persons who own, lease or otherwise occupy or have an interest in the land. |

The Statement of Reasons **(EN010162/APP/4.1)** –

Particularly Appendix 1, which provides details of the purpose for which compulsory acquisition and temporary possession powers are sought and references each plot in the Book of Reference to these purposes.

The draft DCO **(EN010162/APP/3.1)** –

Which contains the powers needed to carry out the scheme and includes the powers of compulsory acquisition and temporary possession to assemble and use the land required that are listed in Table 3.1.
