Dear Sir/Madam

I am writing on behalf of the Trent Valley Internal Drainage Board in respect of the above Order.

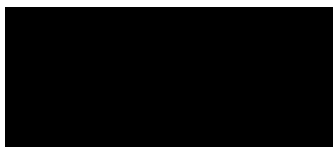

Following the recent discussions which have been held with the Applicant, we are in agreement that we give consent under section 150 of the Planning Act 2008 in relation to the disapplication of section 23 (prohibition of obstructions, etc. in watercourses) and section 66 (powers to make byelaws) of the Land Drainage Act 1991, per Article 8 of the Order (document ref: REP4-005) on condition of the set of attached protection provisions are included in the Order.

On condition of the inclusion of the attached provisions in the Order, please take this letter and confirmation that the Trent Valley Internal Drainage Board have no further objections regarding the scheme.
