Dear Planning Inspectorate Case Team

We continue to act on behalf of National Grid Electricity Distribution (East Midlands) plc ("NGED") in relation to EN010162 (the "Order").

Ahead of Deadline 6 today, please see below a joint statement agreed between the Applicant and NGED as to the protection of NGEDs assets relating to the Order.

Joint Statement: NGED and the Applicant

The Applicant and National Grid Electricity Distribution (East Midlands) Plc (NGED) have negotiated provisions for the protection of NGED in relation to the Great North Road Solar and Biodiversity Park (the NGED Protective Provisions).

The NGED Protective Provisions are agreed between the Applicant and NGED, subject to completing the remaining formalities. The Applicant and NGED anticipate to be in a position to finalise the NGED Protective Provisions by the close of examination on Tuesday 28 April 2026.

It is anticipated that the points raised in NGED's letter of 20 January 2026 shall be satisfied on finalising the NGED Protective Provisions, and enable NGED to withdraw its holding objection. The Applicant would thereafter seek for the agreed NGED Protective Provisions to be included in the any made Great North Road Solar and Biodiversity Park Order.

Please let us know if we can provide any further information as to NGED's position at this time.

Kind regards
