## 1. Introduction

### 1.1. Purpose of this document

- 1.1.1. This tracker explains the status of negotiations with affected persons as at the date of Deadline 1 of the DCO Application.
- 1.1.2. This tracker adopts the form of the simplified land rights negotiations tracker pursuant to the Nationally Significant Infrastructure Projects: 2024 Pre-application Prospectus, published 16 May 2024, last updated 1 May 2025 (“The Prospectus”).

## 2. Great North Road Solar and Biodiversity Park Scheme –Land and Rights Negotiations Tracker

The table below shows the progress of negotiations with affected persons. Please note that the table is correct at the date of Deadline 2. The table includes the following information.

1. The name/ organisation of the interest in the land
2. The category of the interest, within s44 of the Planning Act 2008
3. The type of power(s) sought in the Development Consent Order over the land belonging to the Land Interest. This may be one or more of:
  - (a) Permanent - where powers to acquire all interests in land are sought. This land is shown coloured pink on the Land Plans (EN01062/APP/2.2B);
  - (b) New Rights- where the power to acquire new rights and impose restrictive covenants is sought over the land. This land is shown coloured blue on the Land Plans (EN01062/APP/2.2B); or
  - (c) No CA- where the Applicant is not seeking to acquire that land or any rights/restrictive covenants over that land but the land remains subject to the powers to interfere with interests in land pursuant to Article 25 (private rights) and Article 28 (power to override easement etc) of the draft DCO (EN01062/APP/3.4E1G). This land is shown coloured yellow on the Land Plans (EN01062/APP/2.2B)
4. The plots affected in the Land Plans (EN01062/APP/2.2B) and the Book of Reference (EN01062/APP/4.3D3E).
5. The status of negotiations with the relevant interest.
6. The likelihood of concluding agreement with the relevant interest during the examination. Green shading represents parties with whom agreements have been concluded or which are in the course of being signed. Amber shading represents parties where there are advanced discussions, and an agreement is expected to be reached.
7. Parties who have referred to a land interest within their submitted relevant representations and who were not included in this tracker at the application stage.
8. Column 8 has been added in this version to show which parties have made relevant representations and associated PINS reference number.
