Dear Sir/Madam

**PINS REF EN010162
APPLICATION BY ELEMENTS GREEN (TRENT) LIMITED (“APPLICANT”) FOR A
DEVELOPMENT CONSENT ORDER FOR THE CONSTRUCTION, OPERATION,
MAINTENANCE AND DECOMMISSIONING OF GREAT NORTH ROAD SOLAR AND
BIODIVERSITY PARK (“ORDER”)**

I am writing on behalf of the Lead Local Flood Authority (“LLFA”) in respect of the above Order.

Following the recent discussions which have been held with the Applicant, we are in agreement that we give consent under section 150 of the Planning Act 2008 in relation to the disapplication of section 23 (prohibition of obstructions, etc. in watercourses) of the Land Drainage Act 1991, per Article 8 of the Order (document ref: REP4-005).

Please accept this correspondence as formal consent in respect of the disapplication of the abovementioned provision.

Yours faithfully,
