Good morning

DLA Piper acts for National Grid Electricity Transmission plc (NGET). NGET agrees with what the applicant has said in its responses in relation to the ongoing engagement between the parties. However, NGET's position is as set out in its final submission at Deadline 6 on 23 April 2026 [REP6-074]. NGET therefore maintains its objection.

Our apologies that this was not submitted to you prior to the deadline on 14th September.

Regards
