Dear All

DCO Scheme: Great North Road Solar and Biodiversity Park

Our Client: Network Rail Infrastructure Limited

Applicant: Elements Green Trent Limited

Subject: Response to request for Information

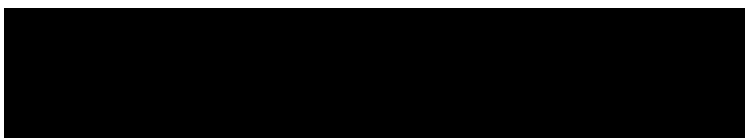

This Firm is instructed by Network Rail Infrastructure Limited (**NR**) in relation to the DCO Scheme and we write to provide an update in respect of the Request for Further Information dated 30 September 2026.

Further to discussions with the Applicant regarding the inclusion of NR's standard protective provisions in the draft Order, we can confirm that the parties have reached agreement on the form of Protective Provisions and we are hopeful that a side agreement documenting the same will be entered into within the next few days.

We hope to be able to write to the Examining Authority in due course to confirm that the Protective Provisions have been agreed and a side agreement has been entered into. Following this, we will confirm that NR's objection can be withdrawn.

Should you have any queries, please don't hesitate to contact us on the details below.

Yours faithfully

Addleshaw Goddard LLP
