Dear Sir

Sincere apologies for the delay and not meeting your deadline of 7 October. My senior officer running the case has since left the authority and this has slipped the net.

In terms of the query regarding who should be the Glint and Glare approving body, I am happy to confirm that I have spoken to our colleagues at NCC ([REDACTED]), and we both agree that NSDC should be the approving body subject to seeking consultation advice from NCC.

In addition, please note that in terms of the timescales and fees for discharge of conditions, we would encourage considering increasing the timescales for discharge of conditions. The case officer who was dealing with this for us ([REDACTED]) indicated that he did not feel we ever "quite got to the 'true cost' of dealing with discharge of requirements".

We trust this is helpful.

Kind regards

[REDACTED]
