

Transboundary screening undertaken by the Planning Inspectorate (the Inspectorate) on behalf of the Secretary of State (SoS) for the purposes of regulation 32 of The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (The 2017 EIA Regulations)

Project name:	Steeple Renewables Project
Address/Location:	Land to the east and west of Sturton le Steeple and south of West Burton Power Station, Nottinghamshire
Planning Inspectorate Ref:	EN010163
Date(s) screening undertaken:	First screening – 3 June 2024 Second screening – 16 July 2025

TRANSBOUNDARY SCREENING

Document(s) used for transboundary screening:	Steeple Renewables Project Environmental Impact Assessment Scoping Report ('the Scoping Report')
<p>The Inspectorate undertook a transboundary screening of the proposed development in the Scoping Opinion, which was adopted on 3 June 2024. The Inspectorate concluded that the proposed development is unlikely to have a significant effect either alone or cumulatively on the environment in a European Economic Area State.</p> <p>The Scoping Opinion is available from: EN010163-000013-Steeple - Scoping Opinion 2017 EIA Regs.pdf</p>	

TRANSBOUNDARY RE-SCREENING

Document(s) used for transboundary screening:	Steeple Renewables Project Environmental Statement (Document Reference 6.2.1 to 6.2.18) Information to Inform a Habitats Regulations Assessment (Document Reference 5.5)
<p>The Inspectorate has re-considered the likelihood of transboundary effects resulting from the proposed development, taking into account any changes that have been made to the proposed development since the previous transboundary screening process was undertaken.</p> <p>The Inspectorate considers that the proposed development is unlikely to have a significant effect either alone or cumulatively on the environment in a European Economic Area State. This position will remain under review and will have regard to any new or materially different information coming to light which may alter that decision.</p>	

Action: No further action required at this stage.

Date: 16 July 2025

Note: The SoS' duty under regulation 32 of The 2017 EIA Regulations continues throughout the application process.

Note:

The Inspectorate's screening of transboundary issues is based on the relevant considerations specified in the annex to its Advice Page, Nationally Significant Infrastructure Projects: Advice on Transboundary Impacts and Process, available at: '[Nationally Significant Infrastructure Projects: Advice on Transboundary Impacts and Process](#)'.
