Dear Secretary of State,

Application by Steeple Solar Farm Limited (“the Applicant”) for an Order granting Development Consent for the proposed Steeple Renewables Project (“the Application”)

We act on behalf of EDF Energy (Thermal Generation) Limited (“EDF”), who are registered as an Interested Party (Interested Party number [REDACTED]) in respect of the Application. This representation is submitted in response to the Secretary of State’s letter dated 25 August 2026.

EDF withdrew its objection to the application at Deadline 6 on 8 April 2026 on the basis that the protective provisions at Part 10 of Schedule 10 to the draft DCO would be included in the agreed form. In that submission, EDF noted a typo at paragraph 115(5), where “are not be taken” should read “are not to be taken”. This correction does not appear to have been incorporated in the latest draft DCO (Rev D).

EDF respectfully requests that the Secretary of State ensures this correction is made in the made Order.

Yours faithfully
