

Examining Authority's Question – ExQ1.24.5

The Examining Authority's question ExQ1.24.5 relates to what progress has been made with negotiations for the land. Tata Steel have received draft heads of terms from Uniper UK and these are currently being reviewed. Tata Steel are not currently in a position to confirm whether the terms are acceptable.

Whilst Tata Steel is not currently raising objections to the proposed development itself (based on the information known to-date), no agreement has been reached regarding the acceptability of using the Tata Steel jetty or onward routing of 3rd party vehicles through Tata Steel's operational Works site. Continued discussions on these matters are essential if use of the Tata Steel jetty and its operational Works site are to be considered further.
