Dear Sir, Madam

We refer to the attached request from the Department for Energy Security and Net Zero for EirGrid Interconnector Designated Activity Company's (EIDAC) update on protective provisions negotiations concerning the above application.

EIDAC's update is as follows:

*"Negotiations concerning the protective provisions (the **PPs**) proposed by the Applicant (**Uniper**), remain ongoing.*

1. *Engagement between EIDAC and Uniper to date has focused on clarifying the meaning of certain terms used in the PPs and the application of those provisions to EIDAC.*
2. *EIDAC remains unable to agree to the PPs in their current form pending resolution of substantive technical and risk allocation matters.*
3. *EIDAC intends to continue discussions with Uniper with a view to resolving the outstanding matters and agreeing the requisite amendments to the PPs and the terms of a project-specific agreement".*

Regards,

[redacted], Solicitor.
