SECTION 48 PLANNING ACT 2008
REGULATION 4 OF THE INFRASTRUCTURE PLANNING (APPLICATIONS: PRESCRIBED
FORMS AND PROCEDURE) REGULATIONS 2009.

Notice publicising a proposed application for a Development Consent Order (“DCO”) to construct, operate, maintain and decommission a solar photovoltaic (PV) generating station, with a generating capacity of more than 50 megawatts (MW) and associated infrastructure on land in Wiltshire (Lime Down Solar Park).

Notice is hereby given that Lime Down Solar Park Limited (Company registration number 13211532) of Unit 25.7 Coda Studios, 189 Munster Road, London, England SW6 6AW (the Applicant), proposes to apply to the Secretary of State for Energy Security and Net Zero under Section 37 of the Planning Act 2008 for a Development Consent Order for the Lime Down Solar Park (the Application).

Lime Down Solar Park will cover a combined area of approximately 2,835 hectares and will consist of the following sites:

- Lime Down A, B, C, D, E: five solar array sites located in Wiltshire currently comprising 878 hectares which lie to the north of the M4, southwest of Malmesbury, between the villages of Alderton, Luckington, Sherston, Foxley, Norton, Corston, Startley, Upper Seagry, Lower Stanton St Quintin, and Hullavington.
- The solar array sites will include solar panels, conversion units, inverters, up to five 33 kV substations located in Lime Down A to E and up to three 132 kV substations located in Lime Down A, C and E. There will be one 400 kV substation located within Lime Down D.
- One or two Battery Energy Storage System (BESS) areas, both of which will be located within Lime Down D.
- A cable route search area has been identified for the underground electricity cables connecting the Lime Down A to E solar array sites, substations and the BESS to the national grid at the existing Melksham Substation, currently comprising 1,947 hectares; and,
- Associated infrastructure, mitigation and enhancement measures, and other ancillary works, for example, fencing, security, local grid connections, temporary access roads, permanent means of access, highway works, temporary works compounds and work sites.

Lime Down Solar Park is located entirely within the administrative boundary of Wiltshire Council. The solar PV sites are located across several parishes:

- Lime Down A is located within the civil parish of Sherston approximately 735 metres to the southeast of Sherston;
- Lime Down B is located within the civil parish of Norton approximately 3.9km to the west of Malmesbury;
- Lime Down C is located across the civil parishes of Sherston, Luckington, Hullavington, and Norton approximately 3.3km to the south of Sherston;
- Lime Down D, which incorporates the proposed BESS areas, is located across the civil parishes of Norton and Hullavington approximately 4km to the southwest of Malmesbury; and
- Lime Down E is located within the civil parish of St Paul Malmesbury Without approximately 4.4km to the south of Malmesbury.

The proposed DCO will, among other things, authorise:

- Construction, operation, maintenance and decommissioning of the solar PV electricity generating station and associated development including grid connection and energy storage facility;
- Compulsory acquisition of land, including interests in land, rights over land and imposition of restrictions, powers to override, suspend or extinguish rights over land and powers for the temporary use of land;
- The application, modification and/or disapplication of legislation including legislation relating to compulsory purchase and landlord and tenant; and
- Such ancillary, incidental and consequential provisions, licenses, property rights, permits and consents as are necessary and/or convenient.

Lime Down Solar Park is an Environmental Impact Assessment (EIA) development for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. This means that the proposed works constitute development for which an EIA is required and the proposed application for a DCO will therefore be accompanied by an Environmental Statement. The Environmental Statement will provide a detailed description of Lime Down Solar Park and its likely significant environmental effects. Information compiled so far about Lime Down Solar Park’s likely significant environmental effects is set out for consultation in a Preliminary Environmental Information Report (the PEIR) and summarised in a Non-Technical Summary (NTS).

YARMOUTH (ISLE OF WIGHT) HARBOUR COMMISSIONERS HARBOURS ACT 1964 (AS AMENDED) PROPOSED YARMOUTH HARBOUR REVISION ORDER NOTICE OF APPLICATION FOR A HARBOUR REVISION ORDER

NOTICE IS HEREBY GIVEN that the Yarmouth (Isle of Wight) Harbour Commissioners ("the applicant") has applied to the Marine Management Organisation ("MMO") for a Harbour Revision Order under section 14 of the Harbours Act 1964.

The proposed order would modernise and consolidate the statutory harbour powers applying in relation to Yarmouth Harbour ("the Harbour"). The proposed order provides for modernised powers of management and control of the Harbour to vest in the applicant including provisions relating to powers to conduct commercial activities, become a member of a body corporate, delegate the applicant's functions, charge interest on the Harbour's capital, make investments, give guarantees, lend money, have electronic commissioner meetings, make charitable donations to the local community, dispose of wrecks, repair landing places, dredge, prevent the sailing of vessels, raise charges, recover charges and expenses as debts, exercise liens, remove vehicles from the Harbour's land; the right for commissioners to be indemnified for any expenses they incur; and powers to vest in the applicant which include the power to borrow sums the applicant deems necessary, unlimited temporary borrowing, to develop or dispose of land, and to grant tenancies. To facilitate the above, article 35 of the proposed order revokes the Acts and Orders set out in the Schedule to the proposed order and amends the Orders as set out in article 34 of the proposed order.

The proposed order would not authorise the construction or alteration of a project or confer development consent. Accordingly, Council Directive 85/337/EEC on the assessment of the effects of certain public and private projects on the environment (as amended) which is codified by Council Directive 2011/92/EU (as amended by Directive 2014/52/EU) does not apply to the proposals and no environmental statement has been supplied.

A copy of the draft order and accompanying documents are deposited at the offices of the applicant at: Yarmouth Harbour Commissioners, Harbour Office, The Quay, Yarmouth, Isle of Wight, PO41 0NT. These may be inspected at all reasonable hours until the expiry of the forty-two day period referred to below.

The draft order and accompanying documents are also available for inspection at the offices of the MMO in Newcastle Upon Tyne by appointment at the email address below or may be viewed on the MMO's website at: <https://www.gov.uk/government/collections/harbour-orders-public-register>

Any person desiring to make an objection or representation concerning the application should write to the Harbour Orders Team, Marine Management Organisation, Lancaster House, Hampshire Court, Newcastle Upon Tyne, NE4 7YH or email to harbourorders@marinemangement.org.uk. An objection or representation should:

- be received before the expiry of a period of 42 days starting with the date at the foot of this notice;
- be made in writing quoting reference HRO/2022/00011;
- state the grounds of the objection or representation;
- indicate who is making the objection or representation; and
- give an address to which correspondence relating to the objection or representation may be sent.

The MMO will pass to the applicant a copy of any objections and other representations received.

If an objection is duly made and not withdrawn then the MMO may cause an inquiry to be held. Any objections duly made and not withdrawn and any representations duly made will be considered before the MMO decides whether or not to make the order.

SECTION 48 PLANNING ACT 2008 REGULATION 4 OF THE INFRASTRUCTURE PLANNING (APPLICATIONS: PRESCRIBED FORMS AND PROCEDURE) REGULATIONS 2009.

NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER ("DCO") TO CONSTRUCT, OPERATE, MAINTAIN AND DECOMMISSION A SOLAR PHOTOVOLTAIC (PV) GENERATING STATION, WITH A GENERATING CAPACITY OF MORE THAN 50 MEGAWATTS (MW) AND ASSOCIATED INFRASTRUCTURE ON LAND IN WILTSHIRE (LIME DOWN SOLAR PARK).

Notice is hereby given that Lime Down Solar Park Limited (Company registration number 13211532) of Unit 25.7 Coda Studios, 189 Munster Road, London, England SW6 6AW (the Applicant), proposes to apply to the Secretary of State for Energy Security and Net Zero under Section 37 of the Planning Act 2008 for a Development Consent Order for the Lime Down Solar Park (the Application).

Lime Down Solar Park will cover a combined area of approximately 2,835 hectares and will consist of the following sites:

- Lime Down A, B, C, D, E: five solar array sites located in Wiltshire currently comprising 878 hectares which lie to the north of the M4, southwest of Malmesbury, between the villages of Alderton, Luckington, Sherston, Foxley, Norton, Corston, Startley, Upper Seagry, Lower Stanton St Quintin, and Hullavington.
- The solar array sites will include solar panels, conversion units, inverters, up to five 33 kV substations located in Lime Down A to E and up to three 132 kV substations located in Lime Down A, C and E. There will be one 400 kV substation located within Lime Down D.
- One or two Battery Energy Storage System (BESS) areas, both of which will be located within Lime Down D.
- A cable route search area has been identified for the underground electricity cables connecting the Lime Down A to E solar array sites, substations and the BESS to the national grid at the existing Melksham Substation, currently comprising 1,947 hectares; and,
- Associated infrastructure, mitigation and enhancement measures, and other ancillary works, for example, fencing, security, local grid connections, temporary access roads, permanent means of access, highway works, temporary works compounds and work sites.

Lime Down Solar Park is located entirely within the administrative boundary of Wiltshire Council. The solar PV sites are located across several parishes:

- Lime Down A is located within the civil parish of Sherston approximately 735 metres to the southeast of Sherston;
- Lime Down B is located within the civil parish of Norton approximately 3.9km to the west of Malmesbury;
- Lime Down C is located across the civil parishes of Sherston, Luckington, Hullavington, and Norton approximately 3.3km to the south of Sherston;
- Lime Down D, which incorporates the proposed BESS areas, is located across the civil parishes of Norton and Hullavington approximately 4km to the southwest of Malmesbury; and
- Lime Down E is located within the civil parish of St Paul Malmesbury Without approximately 4.4km to the south of Malmesbury.

The proposed DCO will, among other things, authorise:

- Construction, operation, maintenance and decommissioning of the solar PV electricity generating station and associated development including grid connection and energy storage facility;
- Compulsory acquisition of land, including interests in land, rights over land and imposition of restrictions, powers to override, suspend or extinguish rights over land and powers for the temporary use of land;
- The application, modification and/or disapplication of legislation including legislation relating to compulsory purchase and landlord and tenant; and
- Such ancillary, incidental and consequential provisions, licenses, property rights, permits and consents as are necessary and/or convenient.

Lime Down Solar Park is an Environmental Impact Assessment (EIA) development for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. This means that the proposed works constitute development for which an EIA is required and the proposed application for a DCO will therefore be accompanied by an Environmental Statement. The Environmental Statement will provide a detailed description of Lime Down Solar Park and its likely significant environmental effects.

Information compiled so far about Lime Down Solar Park's likely significant environmental effects is set out for consultation in a Preliminary Environmental Information Report (the PEIR) and summarised in a Non-Technical Summary (NTS).

YARMOUTH (ISLE OF WIGHT) HARBOUR COMMISSIONERS HARBOURS ACT 1964 (AS AMENDED)

PROPOSED YARMOUTH HARBOUR REVISION ORDER NOTICE OF APPLICATION FOR A HARBOUR REVISION ORDER

NOTICE IS HEREBY GIVEN that the Yarmouth (Isle of Wight) Harbour Commissioners ("the applicant") has applied to the Marine Management Organisation ("MMO") for a Harbour Revision Order under section 14 of the Harbours Act 1964.

The proposed order would modernise and consolidate the statutory harbour powers applying in relation to Yarmouth Harbour ("the Harbour"). The proposed order provides for modernised powers of management and control of the Harbour to vest in the applicant including provisions relating to powers to conduct commercial activities, become a member of a body corporate, delegate the applicant's functions, charge interest on the Harbour's capital, make investments, give guarantees, lend money, have electronic commissioner meetings, make charitable donations to the local community, dispose of wrecks, repair landing places, dredge, prevent the sailing of vessels, raise charges, recover charges and expenses as debts, exercise liens, remove vehicles from the Harbour's land; the right for commissioners to be indemnified for any expenses they incur; and powers to vest in the applicant which include the power to borrow sums the applicant deems necessary, unlimited temporary borrowing, to develop or dispose of land, and to grant tenancies. To facilitate the above, article 35 of the proposed order revokes the Acts and Orders set out in the Schedule to the proposed order and amends the Orders as set out in article 34 of the proposed order.

The proposed order would not authorise the construction or alteration of a project or confer development consent. Accordingly, Council Directive 85/337/EEC on the assessment of the effects of certain public and private projects on the environment (as amended) which is codified by Council Directive 2011/92/EU (as amended by Directive 2014/52/EU) does not apply to the proposals and no environmental statement has been supplied.

A copy of the draft order and accompanying documents are deposited at the offices of the applicant at: Yarmouth Harbour Commissioners, Harbour Office, The Quay, Yarmouth, Isle of Wight, PO41 0NT. These may be inspected at all reasonable hours until the expiry of the forty-two day period referred to below.

The draft order and accompanying documents are also available for inspection at the offices of the MMO in Newcastle Upon Tyne by appointment at the email address below or may be viewed on the MMO's website at: <https://www.gov.uk/government/collections/harbour-orders-public-register>

Any person desiring to make an objection or representation concerning the application should write to the Harbour Orders Team, Marine Management Organisation, Lancaster House, Hampshire Court, Newcastle Upon Tyne, NE4 7YH or email to harbourorders@marinemangement.org.uk. An objection or representation should:

- be received before the expiry of a period of 42 days starting with the date at the foot of this notice;
- be made in writing quoting reference HRO/2022/00011;
- state the grounds of the objection or representation;
- indicate who is making the objection or representation; and
- give an address to which correspondence relating to the objection or representation may be sent.

The MMO will pass to the applicant a copy of any objections and other representations received.

If an objection is duly made and not withdrawn then the MMO may cause an inquiry to be held. Any objections duly made and not withdrawn and any representations duly made will be considered before the MMO decides whether or not to make the order.

- Lime Down A, B, C, D, E: five solar array sites located in Wiltshire currently comprising 878 hectares which lie to the north of the M4, southwest of Malmesbury, between the villages of Alderton, Luckington, Sherston, Foxley, Norton, Corston, Startley, Upper Seagry, Lower Stanton St Quintin, and Hullavington.
- The solar array sites will include solar panels, conversion units, inverters, up to five 33 kV substations located in Lime Down A to E and up to three 132 kV substations located in Lime Down A, C and E. There will be one 400 kV substation located within Lime Down D.
- One or two Battery Energy Storage System (BESS) areas, both of which will be located within Lime Down D.
- A cable route search area has been identified for the underground electricity cables connecting the Lime Down A to E solar array sites, substations and the BESS to the national grid at the existing Melksham Substation, currently comprising 1,947 hectares; and,
- Associated infrastructure, mitigation and enhancement measures, and other ancillary works, for example, fencing, security, local grid connections, temporary access roads, permanent means of access, highway works, temporary works compounds and work sites.

Lime Down Solar Park is located entirely within the administrative boundary of Wiltshire Council. The solar PV sites are located across several parishes:

- Lime Down A is located within the civil parish of Sherston approximately 735 metres to the southeast of Sherston;
- Lime Down B is located within the civil parish of Norton approximately 3.9km to the west of Malmesbury;
- Lime Down C is located across the civil parishes of Sherston, Luckington, Hullavington, and Norton approximately 3.3km to the south of Sherston;
- Lime Down D, which incorporates the proposed BESS areas, is located across the civil parishes of Norton and Hullavington approximately 4km to the southwest of Malmesbury; and
- Lime Down E is located within the civil parish of St Paul Malmesbury Without approximately 4.4km to the south of Malmesbury.

The proposed DCO will, among other things, authorise:

- Construction, operation, maintenance and decommissioning of the solar PV electricity generating station and associated development including grid connection and energy storage facility;
- Compulsory acquisition of land, including interests in land, rights over land and imposition of restrictions, powers to override, suspend or extinguish rights over land and powers for the temporary use of land;
- The application, modification and/or disapplication of legislation including legislation relating to compulsory purchase and landlord and tenant; and
- Such ancillary, incidental and consequential provisions, licenses, property rights, permits and consents as are necessary and/or convenient.

Lime Down Solar Park is an Environmental Impact Assessment (EIA) development for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. This means that the proposed works constitute development for which an EIA is required and the proposed application for a DCO will therefore be accompanied by an Environmental Statement. The Environmental Statement will provide a detailed description of Lime Down Solar Park and its likely significant environmental effects.

Information compiled so far about Lime Down Solar Park’s likely significant environmental effects is set out for consultation in a Preliminary Environmental Information Report (the PEIR) and summarised in a Non-Technical Summary (NTS).

IN THE MATTER OF
PART VII OF THE FINANCIAL SERVICES AND MARKETS ACT
2000 (AS AMENDED)**

NOTICE

NOTICE IS HEREBY GIVEN that by a Part 8 Claim Form dated 17 January 2025, issued in His Majesty's High Court of Justice, Business and Property Courts of England and Wales, Companies Court (ChD) in London (the "**Court**"), the above-named Sainsbury's Bank plc ("**Sainsbury's Bank**") and National Westminster Bank Public Limited Company ("**NatWest**") have made an application for:

(1) an order under section 111 of the Financial Services and Markets Act 2000 (as amended) ("**FSMA**") sanctioning a banking business transfer scheme (the "**Scheme**") for the transfer to NatWest of the Transferring Business (as defined in the document setting out the terms of the Scheme (the "**Scheme Document**")). The Transferring Business consists of certain parts of Sainsbury's Bank's core banking business, primarily comprising portfolios of certain credit cards, personal loans and savings accounts, but excluding the Excluded Assets and Excluded Liabilities (each as defined in the Scheme Document); and

(2) such other orders (including ancillary orders pursuant to section 112 of FSMA) as the Court thinks fit.

A copy of the Scheme Document, an explanatory statement setting out the terms of the Scheme and this notice may be obtained by any person free of charge by contacting Sainsbury's Bank using the contact details set out below. All relevant documentation will also be made available on Sainsbury's Bank's website in the dedicated section for the Scheme titled 'Our proposed transfer of your account(s) to NatWest' at: www.sainsburysbank.co.uk/transfer-scheme. This website will be updated with any key changes in respect of the Scheme.

The application to sanction the Scheme is directed to be heard before the Court at The Rolls Building, 7 Rolls Buildings, Fetter Lane, London, EC4A 1NL, United Kingdom on 15 April 2025. If approved by the Court, it is currently proposed that the Scheme will take effect on 1 May 2025.

Any person (including any customer or employee of Sainsbury's Bank or NatWest) who claims that he or she would be adversely affected by the carrying out of the Scheme may appear at the time of the Court hearing in person or by a representative to present their objections or concerns. Any person who does not intend to attend the Court hearing can make representations in writing to Sainsbury's Bank using the contact details below. Sainsbury's Bank will share a summary of any representations it receives with the Court, the Financial Conduct Authority and the Prudential Regulation Authority.

Any person who intends to appear at the Court hearing is requested, but is not required, to give prior notice in writing to Sainsbury's Bank of such intention, together with their reasons, as soon as possible and preferably by 8 April 2025 by using the contact details below. A failure to give notice in advance does not prevent any person who wishes to do so from attending the Court hearing in person or by a representative.

All questions, objections or concerns and any requests for information relating to the Scheme should be referred to Sainsbury's Bank using the following contact details.

Telephone: 0800 0142 131 (if calling from within the UK) or +44 800 0142 131 (if calling from overseas). Lines will be open from 8:00 to 20:00 (UK time), Monday to Friday and 8:00 to 18:00 (UK time), Saturday and Sunday (excluding bank holidays).

(a) acting as a director of another company that is known by a name which is either the same as a name used by the company in insolvent liquidation in the 12 months before it entered liquidation or is so similar as to suggest an association with that company;

(b) directly or indirectly being concerned or taking part in the promotion, formation or management of any such company; or

(c) directly or indirectly being concerned in the carrying on of a business otherwise than through a company under a name of the kind mentioned in (a) above.

This notice is given in pursuance of Rule 22.4 of the Insolvency (England and Wales) Rules 2016 where the business of a company which is in, or may go into, insolvent liquidation is, or is to be, carried on otherwise than by the company in liquidation with the involvement of a director of that company and under the same or a similar name to that of that company.

The purpose of the giving of this notice is to permit the director to act in these circumstances where the company enters (or has entered) insolvent liquidation without the director committing a criminal offence and in the case of the carrying on of the business through another company, being personally liable for that company's debts.

Notice may be given where the person giving the notice is already the director of a company which proposes to adopt a prohibited name.

Terms and conditions relating to submission of notices

The Gazette (which includes the London, Belfast and Edinburgh Gazette) is an official public record and the United Kingdom's longest continuously published newspaper. It is managed by The National Archives (a non-ministerial government department) under a concessionary contract with The Stationery Office Limited ("TSO" or the "Publisher", as defined below). Any capitalised terms referred to in these terms and conditions relating to submission of notices are defined below.

By placing a Notice in The Gazette you are consenting to put official information permanently on the public record and in the public domain, online (in The Gazette website or via The Gazette mobile app), in print, and via a data service (rather than by having to search for notices on The Gazette website, customers can either create a pdf of the Notices that they are interested in, or subscribe to an electronic version of The Gazette (in full or in part) which is provided as a data service).

These terms should be read in conjunction with:

- 1 The Publisher's [privacy policy](#);
- 2 The Publisher's [policies relating to submission of notice](#); and
- 3 [Royal Mail general terms and conditions](#) (applicable to Notices Placers utilising the Forwarding Service)

which (as amended from time to time) together govern the submission of Notices.

Notice Placers, as defined below, may place a Notice in The Gazette either because there is a statutory requirement to do so, or to do so voluntarily to put information in The Gazette in order to create an official record of fact. All Notice Placers must have the authority to place the notice that they submit for publishing. TSO, as the Publisher, is required to verify the authority of Notice Placers who place Notices and has the authority to refuse to publish Notices from Notice Placers whose authority cannot be effectively verified.

Notices received for publication usually fall under the following broad headings:

Church, Companies, Environment and Infrastructure, Health and Medicine, Honours and awards, Money, Parliament and Assemblies, People, Royal Family and State. Further information can be found at www.thegazette.co.uk.

These terms and conditions ("**Terms and Conditions**") govern submission of Notices (as defined below) to The Gazette. By submitting Notices, howsoever communicated, whether at the website www.thegazette.co.uk (the "**Website**") or by email, post and/or facsimile, the Notice Placer (as defined below) agrees to be bound by these Terms and Conditions. Where the Notice Placer is acting as an agent or as a representative of a principal, the Notice Placer warrants that the principal agrees to be bound by these Terms and Conditions.

The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication. By submitting Notices to The Gazette after the Publisher has published such modifications, the Notice Placer, including any principal, agrees to be bound by the revised Terms and Conditions. For the avoidance of doubt the Royal Mail's terms and conditions above will be read subject to the terms and conditions of this Agreement and the Publisher's own terms referenced above will take precedence. The Publisher is not liable to the Notice Placer for the availability, access and/or any accuracy of any information placed on any third-party website.

1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.

2 By submitting a Notice to the Publisher, the Notice Placer agrees to be bound by these Terms and Conditions which, unless stated otherwise in these Terms and Conditions, represent the entire terms agreed between the parties in relation to the publication of Notices in The Gazette and which every Notice shall be subject to. For the avoidance of doubt, these Terms and Conditions shall prevail over any other terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Notice Placer or implied by custom, practice or course of dealing which the parties agree shall not apply, unless otherwise expressly agreed in writing by the Publisher.

3 The Publisher reserves the right, to be exercised at its sole and absolute discretion, to make reasonable efforts to verify the validity of the Notice Placer.

4 The Publisher may, at its sole and absolute discretion edit the Notice, subject to the following restrictions:

4.1 the sense of the Notice submitted by the Notice Placer will not be altered;

4.2 Notices shall be edited for house style only, not for content;

4.3 Notices can be edited to remove obvious duplications of information;

4.4 Notices can be edited to re-position material for style;

4.5 any additions, amendments or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Notice Placer; and

4.6 subject to clause 5 below, no amendments to the text (other than those made as a consequence of 4(i) – (v) above) shall be made without confirmation from the Notice Placer.

For the avoidance of doubt, the Notice Placer agrees and accepts that, subject to the limited rights to edit any Notice referred to above, it is the Notice Placer that shall be solely responsible for the content of any Notice, including its validity and accuracy and that the Publisher shall not be responsible for, nor shall have any liability in respect of such content in any way whatsoever.

5 The Notice Placer accepts that it submits a Notice entirely at its own risk and that the Publisher shall have the sole and absolute discretion whether to accept a Notice for publication; whether to publish it (including after acceptance); the timing of any publication of a Notice; or whether to remove or withdraw the Notice after publication, such decision to be final and without liability on the part of the Publisher. The Notice Placer must satisfy itself as to the legal, statutory, procedural, and/or data protection requirements and accuracy relating to any Notice and, for the avoidance of doubt, the Publisher shall have the sole and absolute discretion to refuse to publish or withdraw from publication (if already published) any Notices where the content of the Notice, in the Publisher's sole and absolute opinion, may not comply with any such requirements. In instances where publication has not yet taken place, the Publisher shall use all reasonable endeavours to notify the Notice Placer of any action required to remedy any deficiency and publication shall not take place until the Publisher is reasonably satisfied that such action has been taken by the Notice Placer. Where publication has taken place the Notice placar will be sent communication with the proposed remedy which may include, but is not limited to, removal, reinsertion, retraction or substitution notice. The Notice Placer agrees and accepts that the mutual obligations and undertakings under this Agreement are sufficient consideration for the enforceability of these

terms and conditions which the Notice Placer agrees are fair and reasonable.

6 Save for any liability that cannot be excluded or restricted by law, The National Archives or the Publisher's (including any successor organisations, affiliates, officers, directors, agents, subcontractors and/or employees) total aggregate liability whether arising from the acts and/or omissions of The National Archives or the Publisher arising out of or made in connection with any Notice or otherwise for any and all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and other professional costs and/or expenses), whether in contract (including under an indemnity or warranty), tort (including negligence), misrepresentation, equity, breach of statutory duty, strict liability or otherwise incurred shall be limited to one hundred and fifty per cent (150%) of the value of the Charge paid for such Notice under these Terms and Conditions.

6A Other than as set out in clause 6 above, neither the Publisher, nor The National Archives, shall have any liability in respect of any act and/or omission of the Notice Placer and/or any third party or in respect of any Notice submitted by any Notice Placer for potential publication in The Gazette, which the Notice Placer warrants and accepts is solely its responsibility.

7 For the avoidance of doubt, subject to clause 6 above and save for the payment of the Charges, in no circumstances shall either party be liable for any losses including, without limitation, loss of revenues, profits, contracts, business or savings or anticipated savings, any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for a failure to publish, or has published a Notice in error or with an error, the Publisher shall, at no charge to the Notice Placer, either publish the Notice at the next suitable opportunity, or in the event of an error, remove the Notice or publish a reinsertion, retraction or substitution Notice as appropriate at the next suitable opportunity. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Notice Placer (including any principal, if applicable) and the full extent of the limit of the Publisher's liability in these circumstances.

9 In the event that the Publisher believes, in its sole opinion, a Notice Placer is submitting Notices in bad faith, is in breach of clause 11 below, or has dealings with Notice Placers who are in breach of these Terms and Conditions or has breached such Terms and Conditions previously, the Publisher may require further verification of information to be provided by the Notice Placer and may, at its sole and absolute discretion, delay publication of those Notices until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in The Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of The Gazette.

11 The Notice Placer warrants and undertakes to the Publisher:

11.1 that it has the (legal) right, power and authority to submit the Notice;

11.2 the Notice is true and accurate in all respects and does not mislead or contain potentially fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any law (statutory or otherwise), nor is it in any way illegal, defamatory or an infringement of any other party's rights or of any applicable advertising regulations, guidelines or codes of practice, nor is it subject to any court order prohibiting such publication.

12 To the extent permissible by law the Publisher excludes all warranties, conditions or other terms, whether implied by statute or otherwise, relating to the placing of any Notices.

The Notice Placer agrees and accepts that the Publisher is reliant upon the services of the Royal Mail in order to deliver the Forwarding Service and accordingly any failure and/or inability of the Royal Mail to deliver the Forwarding Service shall in so far as reasonably possible not put the Publisher to be in breach of this Agreement unless the Publisher was the sole contributory to the breach and/or negligent on its part to properly supervise the Royal Mail in relation to the Services.

13 The Notice Placer agrees to fully indemnify (as a debt) and hold the Publisher and The National Archives or any successor organisation, including any affiliates, officers, directors, agents, subcontractors and employees harmless from all liabilities, costs, expenses, damages and losses (including, without limitation) any direct, indirect, consequential and/or special losses and/or damage, loss of profit, loss of reputation and/or goodwill and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and/or expenses (including legal costs) suffered or incurred (including negligence) in respect of any matter

arising out of, in connection with or relating to any Notice (including, without limitation, clause 11 of the Terms and Conditions) and including (without limitation) in respect of any claim and/or demand (including threatened and/or potential claims or demands) made by any third party which may constitute a breach and/or potential breach by the Notice Placer (or their principal) of these Terms and Conditions or of any law and/or any of the rights of a third party. The Publisher shall consult with the Notice Placer as to the way in which such applicable claims, demands or potential claims or demands are handled but the Publisher shall retain the sole, absolute and final decision on all aspects of any matter arising from the aforementioned indemnity, including the choice of instructing legal representatives, steps taken in or related litigation and/or decisions to settle the case. The Notice Placer shall use best endeavours to provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request including in respect of any principal (if applicable) and including, without limitation, the provision of and/or access to witnesses, access to premises and delivery up of documents and/or any evidence, including supporting any associated litigation and/or dispute resolution process.

14 The Notice Placer shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Notice Placer and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at www.thegazette.co.uk and all other websites controlled by the Publisher containing the Notice, as well as from any other medium in which the Notice has been placed that is controlled by The Gazette, where possible. The Publisher may (at its sole and absolute discretion) require the Notice Placer to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim, threatened or suspected claim. Any reinstatement of the Notice shall be at the sole and absolute discretion of the Publisher, whose decision in respect of such matter shall be final.

In exceptional circumstances, for example if the Notice was found by the Publisher to have been submitted by an unauthorised Notice Placer, the Publisher (upon receiving written approval from The National Archives) will remove a Notice in its entirety from www.thegazette.co.uk, but will retain the Notice identification online and include explanatory text saying why and when the Notice was removed.

15 The Notice Placer acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in The Gazette for ongoing Gazette-related activity – for example to create a company profile page on The Gazette website and where you have also opted for a newspaper advertisement as well as a Gazette notice – and hereby assigns to the Publisher for and on behalf of the Crown, all rights, including but not limited to, copyright and/or other such intellectual property rights (as applicable) in all Notices, and warrants that any such activity in respect of any Notice (including any activity in the preparation of such Notice for publication in The Gazette) by the Publisher and/or third parties does not and will not infringe any legal right of the Notice Placer or any third party. For the avoidance of doubt, all Notices and any content therein shall be Crown copyright and may be subject to the Open Government Licence (or any variation thereof).

16 The Notice Placer accepts that the purpose of The Gazette is to disseminate information of interest to the public as widely as possible in the public interest. The Notice Placer accepts that the information contained in the Notices published in The Gazette may be used for additional purposes by the Publisher or third parties after publication as stated above and that such use may be beyond the control of The Gazette. In such instances, the Notice Placer agrees that the Publisher shall have no liability whatsoever in respect of such use by the Publisher or third parties. The Gazette will at all times act with confidentiality, discretion and adhere to any legislative requirements.

17 The Notice Placer acknowledges and agrees that the publication of any Notice is subject to any court order and/or direction of the court or such other regulatory and/or enforcement authorities including the Information Commissioner's Office, the police, the Financial Conduct Authority (and such other related regulatory organisations), the Solicitors Regulation Authority and such other authorities as may be applicable (without limitation) and that the Publisher may delay, refuse to publish or withdraw from publication if it has received evidence to that effect and may not publish such notice until it has received written evidence from the court (as the

Publisher may reasonably require from time to time) that demonstrates that any previous order and/or direction has been withdrawn and/or is no longer applicable (as the Publisher may reasonably require from time to time) and/or, subject to any statutory and/or applicable laws, The Gazette may share information and/or data related to the Notice and/or the Notice Placer's account related to such authorities and the Notice Placer hereby consents to such disclosure(s).

18 In respect of any Local Newspaper Notice, this clause 18 shall apply. For the avoidance of doubt, all other terms of the Terms and Conditions shall apply to Local Newspaper Notices only to the extent that they do not conflict with the terms set out below. In the event of any conflict, the terms set out in this clause 18 shall prevail:

18.1 The Local Newspaper Notice may be placed in a local newspaper by any subcontractor and/or a third party organisation at the Publisher's sole and absolute discretion and the Notice Placer hereby consents to such use (including any activity that is ancillary and/or reasonably necessary to such use). For the avoidance of doubt, this may include the processing of personal data in accordance with the EU General Data Protection Regulation (Regulation 2016/679), and any legislation which implements, amends, re-enacts or replaces it in England and Wales, Northern Ireland or Scotland ("GDPR"), by the Publisher, any subcontractor and/or third party organisation, together with the local newspaper and related organisations;

18.2 The placement of a Local Newspaper Notice shall be upon the standard terms and conditions of the local newspaper in question in addition to these Terms and Conditions. The Notice Placer expressly agrees to such local newspaper terms and by submitting a Local Newspaper Notice to The Gazette, expressly consents to the Publisher, its subcontractors and/or any applicable third party organisation agreeing to such terms on behalf of the Notice Placer;

18.3 To the extent that such local newspaper and the applicable terms allow, where the Publisher, any subcontractor, any third party acting on behalf of the Publisher and/or the local newspaper is responsible for any error, the Publisher shall arrange for the local newspaper to publish the corrected Local Newspaper Notice at no additional cost to the Notice Placer. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Notice Placer (including any principal, if applicable) and the full extent of the limit of liability in these circumstances;

In the event that a corrected Local Newspaper Notice is not published for whatever reason, the total aggregate liability of the Publisher and The National Archives, whether direct or indirect, and including (without limitation) all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and/or other professional costs and/or expenses) suffered or incurred, howsoever arising (including negligence), whether arising from the acts and/or omissions of the Publisher, The National Archives and/or the Notice Placer and/or any third party (including, without limitation, any principal of the Notice Placer) or arising out of or made in connection with the Notice or otherwise shall be limited to the value of the Local Newspaper Notice placed through The Gazette except that nothing in these Terms and Conditions shall

limit or exclude any liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's or The National Archives' negligence or the negligence of their agents, subcontractors and/or employees or third parties acting on behalf of the Publisher.

19 In respect of the use of the Forwarding Service, which is subject to Clause 12 (above), The Gazette will replace the Notice Placer or executor's address with The Gazette's postal box address in the Notice, and Local Newspaper Notice if applicable. All correspondence received will be sent via Royal Mail from The Gazette to the Notice Placer or executor (if different).

Please be aware that correspondence received by The Gazette's postal box (subject to the final condition of the mail and delivery of the same), will using reasonable endeavours be opened, scanned, and securely stored. The scans will be retained for as long as the service remains (paid for and) in place and for a period of 6 months beyond that time, so that any copies of claims can be requested and communicated to the executor (for example in circumstances where Royal Mail has failed to deliver a claim) and in using this service you are consenting to the provisions of this clause; The Gazette will at all times act with confidentiality, discretion and adhere to any legislative requirements.

The Forwarding Service will remain in place for a period of 10 months from publication of the Notice in The Gazette, or 10 months from publication of the Notice in a Local Newspaper, in line with the Inheritance (Provision for Family and Dependants) Act 1975. After the 10 months period has lapsed any correspondence received will be posted to the sender where possible and or securely destroyed, and the Notice Placer or executor's name and address details will be removed from the Forwarding Service.

20 The Notice Placer accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher in writing. The Charges must be paid in full by the Notice Placer in advance of publication unless other requirements of the Publisher in respect of the payment of such Charges (as determined from time to time) are notified to the Notice Placer.

21 Please note that TSO uses Stripe on its eCommerce sites to process credit or debit card transactions. Goods that are out of stock are charged for immediately and despatched when the goods are in stock. By placing an order you agree to this process.

22 If the Notice Placer wishes to make a complaint, all such complaints shall be submitted in writing to customer.services@thegazette.co.uk

23 Save in respect of The National Archives (or any successor organisation), a person who is not a party to these Terms and Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a party specified in these Terms and Conditions or which exists or is available apart from that Act.

24 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the laws of England and Wales and the parties hereby submit to the exclusive jurisdiction of the English courts.

About Town and Country Planning notices

Town and Country Planning

SECTION 48 PLANNING ACT 2008

REGULATION 4 OF THE INFRASTRUCTURE PLANNING (APPLICATIONS: PRESCRIBED FORMS AND PROCEDURE) REGULATIONS 2009.

NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER (“DCO”) TO CONSTRUCT, OPERATE, MAINTAIN AND DECOMMISSION A SOLAR PHOTOVOLTAIC (PV) GENERATING STATION, WITH A GENERATING CAPACITY OF MORE THAN 50 MEGAWATTS (MW) AND ASSOCIATED INFRASTRUCTURE ON LAND IN WILTSHIRE (LIME DOWN SOLAR PARK).

Notice is hereby given that Lime Down Solar Park Limited (Company registration number 13211532) of Unit 25.7 Coda Studios, 189 Munster Road, London, England SW6 6AW (the Applicant), proposes to apply to the Secretary of State for Energy Security and Net Zero under Section 37 of the Planning Act 2008 for a Development Consent Order for the Lime Down Solar Park (the Application).

Lime Down Solar Park will cover a combined area of approximately 2,835 hectares and will consist of the following sites:

• Lime Down A, B, C, D, E: five solar array sites located in Wiltshire currently comprising 878 hectares which lie to the north of the M4, southwest of Malmesbury, between the villages of Alderton, Luckington, Sherston, Foxley, Norton, Corston, Startley, Upper Seagry, Lower Stanton St Quintin, and Hullavington.

• The solar array sites will include solar panels, conversion units, inverters, up to five 33 kV substations located in Lime Down A to E and up to three 132 kV substations located in Lime Down A, C and E. There will be one 400 kV substation located within Lime Down D.

• One or two Battery Energy Storage System (BESS) areas, both of which will be located within Lime Down D.

• A cable route search area has been identified for the underground electricity cables connecting the Lime Down A to E solar array sites, substations and the BESS to the national grid at the existing Melksham Substation, currently comprising 1,947 hectares; and,

• Associated infrastructure, mitigation and enhancement measures, and other ancillary works, for example, fencing, security, local grid connections, temporary access roads, permanent means of access, highway works, temporary works compounds and work sites.

Lime Down Solar Park is located entirely within the administrative boundary of Wiltshire Council. The solar PV sites are located across several parishes:

• Lime Down A is located within the civil parish of Sherston approximately 735 metres to the southeast of Sherston;

• Lime Down B is located within the civil parish of Norton approximately 3.9km to the west of Malmesbury;

• Lime Down C is located across the civil parishes of Sherston, Luckington, Hullavington, and Norton approximately 3.3km to the south of Sherston;

• Lime Down D, which incorporates the proposed BESS areas, is located across the civil parishes of Norton and Hullavington approximately 4km to the southwest of Malmesbury; and

• Lime Down E is located within the civil parish of St Paul Malmesbury Without approximately 4.4km to the south of Malmesbury.

The proposed DCO will, among other things, authorise:

• Construction, operation, maintenance and decommissioning of the solar PV electricity generating station and associated development including grid connection and energy storage facility;

• Compulsory acquisition of land, including interests in land, rights over land and imposition of restrictions, powers to override, suspend or extinguish rights over land and powers for the temporary use of land;

• The application, modification and/or disapplication of legislation including legislation relating to compulsory purchase and landlord and tenant; and

• Such ancillary, incidental and consequential provisions, licenses, property rights, permits and consents as are necessary and/or convenient.

Lime Down Solar Park is an Environmental Impact Assessment (EIA) development for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. This means that the proposed works constitute development for which an EIA is required and the proposed application for a DCO will therefore be accompanied by an Environmental Statement. The Environmental Statement will provide a detailed description of Lime Down Solar Park and its likely significant environmental effects.

Information compiled so far about Lime Down Solar Park’s likely significant environmental effects is set out for consultation in a Preliminary Environmental Information Report (the PEIR) and summarised in a Non-Technical Summary (NTS).

Statutory Consultation

NOTICE PUBLICISING A STATEMENT OF COMMUNITY CONSULTATION (SOCC) IN ACCORDANCE WITH SECTION 47(6) OF THE PLANNING ACT 2008.

Notice is hereby given that Lime Down Solar Park Limited (Company Number 13211532), whose registered office is at Unit 25.7 Coda Studios 189 Munster Road, London, England, SW6 6AW (the Applicant) has produced a Statement of Community Consultation (SoCC) in accordance with Section 47 of the Planning Act 2008.

The Project

The Applicant is part of Island Green Power (IGP) and is proposing a new solar and energy storage project located in Wiltshire. Lime Down Solar Park can produce up to 500 megawatts (MW) of renewable energy, support regional and national targets for reducing carbon emissions to net zero, contribute to improvements to local ecology and biodiversity and deliver affordable energy. The Applicant will work closely with stakeholders and the local community to develop the project, having regard to the feedback received during public consultation.

Lime Down Solar Park is a Nationally Significant Infrastructure Project (NSIP) as it has a proposed generation capacity of over 50MW. As an NSIP, the project must submit an application for a Development Consent Order (DCO) to the Secretary of State for Energy Security and Net Zero.

Statement of Community Consultation (SoCC)

As part of the Lime Down Solar Park proposal, the Applicant has a duty to consult the local community under Section 47 of the Planning Act 2008. The Applicant has therefore prepared a SoCC that explains how people living in the vicinity of the proposed project boundary will be consulted throughout the pre-application process, and how it intends to consult on the Preliminary Environmental Information Report (PEIR) which will inform the final Environmental Statement (ES). The consultation process is designed to provide information about Lime Down Solar Park and give local communities the opportunity to have their say and help develop the final design for the project.

This notice provides formal notification of the publication of the SoCC which can be viewed, free of charge, in the document library at www.limedownsolar.co.uk. Printed reference copies of the SoCC are also available to view at the community access points listed below.

The Statutory Consultation Process

The Applicant will be holding its statutory consultation between 29 January and 19 March 2025. The Applicant will host a series of consultation activities, which will be available and accessible to all interested members of the local community.

SECTION 48 PLANNING ACT 2008

REGULATION 4 OF THE INFRASTRUCTURE PLANNING (APPLICATIONS: PRESCRIBED FORMS AND PROCEDURE) REGULATIONS 2009.

Notice publicising a proposed application for a Development Consent Order (“DCO”) to construct, operate, maintain and decommission a solar photovoltaic (PV) generating station, with a generating capacity of more than 50 megawatts (MW) and associated infrastructure on land in Wiltshire (Lime Down Solar Park).

Notice is hereby given that Lime Down Solar Park Limited (Company registration number 13211532) of Unit 25.7 Coda Studios, 189 Munster Road, London, England SW6 6AW (the Applicant), proposes to apply to the Secretary of State for Energy Security and Net Zero under Section 37 of the Planning Act 2008 for a Development Consent Order for the Lime Down Solar Park (the Application).

Lime Down Solar Park will cover a combined area of approximately 2,835 hectares and will consist of the following sites:

- Lime Down A, B, C, D, E: five solar array sites located in Wiltshire currently comprising 878 hectares which lie to the north of the M4, southwest of Malmesbury, between the villages of Alderton, Luckington, Sherston, Foxley, Norton, Corston, Startley, Upper Seagry, Lower Stanton St Quintin, and Hullavington.
- The solar array sites will include solar panels, conversion units, inverters, up to five 33 kV substations located in Lime Down A to E and up to three 132 kV substations located in Lime Down A, C and E. There will be one 400 kV substation located within Lime Down D.
- One or two Battery Energy Storage System (BESS) areas, both of which will be located within Lime Down D.
- A cable route search area has been identified for the underground electricity cables connecting the Lime Down A to E solar array sites, substations and the BESS to the national grid at the existing Melksham Substation, currently comprising 1,947 hectares; and,
- Associated infrastructure, mitigation and enhancement measures, and other ancillary works, for example, fencing, security, local grid connections, temporary access roads, permanent means of access, highway works, temporary works compounds and work sites.

Lime Down Solar Park is located entirely within the administrative boundary of Wiltshire Council. The solar PV sites are located across several parishes:

- Lime Down A is located within the civil parish of Sherston approximately 735 metres to the southeast of Sherston;
- Lime Down B is located within the civil parish of Norton approximately 3.9km to the west of Malmesbury;
- Lime Down C is located across the civil parishes of Sherston, Luckington, Hullavington, and Norton approximately 3.3km to the south of Sherston;
- Lime Down D, which incorporates the proposed BESS areas, is located across the civil parishes of Norton and Hullavington approximately 4km to the southwest of Malmesbury; and
- Lime Down E is located within the civil parish of St Paul Malmesbury Without approximately 4.4km to the south of Malmesbury.

The proposed DCO will, among other things, authorise:

- Construction, operation, maintenance and decommissioning of the solar PV electricity generating station and associated development including grid connection and energy storage facility;
- Compulsory acquisition of land, including interests in land, rights over land and imposition of restrictions, powers to override, suspend or extinguish rights over land and powers for the temporary use of land;
- The application, modification and/or disapplication of legislation including legislation relating to compulsory purchase and landlord and tenant; and
- Such ancillary, incidental and consequential provisions, licenses, property rights, permits and consents as are necessary and/or convenient.

Lime Down Solar Park is an Environmental Impact Assessment (EIA) development for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. This means that the proposed works constitute development for which an EIA is required and the proposed application for a DCO will therefore be accompanied by an Environmental Statement. The Environmental Statement will provide a detailed description of Lime Down Solar Park and its likely significant environmental effects. Information compiled so far about Lime Down Solar Park’s likely significant environmental effects is set out for consultation in a Preliminary Environmental Information Report (the PEIR) and summarised in a Non-Technical Summary (NTS).

NOTICE PUBLICISING A STATEMENT OF COMMUNITY CONSULTATION (SOCC) IN ACCORDANCE WITH SECTION 47(6) OF THE PLANNING ACT 2008.

Notice is hereby given that Lime Down Solar Park Limited (Company Number 13211532), whose registered office is at Unit 25.7 Coda Studios 189 Munster Road, London, England, SW6 6AW (the Applicant) has produced a Statement of Community Consultation (SoCC) in accordance with Section 47 of the Planning Act 2008.

The Project

The Applicant is part of Island Green Power (IGP) and is proposing a new solar and energy storage project located in Wiltshire. Lime Down Solar Park can produce up to 500 megawatts (MW) of renewable energy, support regional and national targets for reducing carbon emissions to net zero, contribute to improvements to local ecology and biodiversity and deliver affordable energy. The Applicant will work closely with stakeholders and the local community to develop the project, having regard to the feedback received during public consultation.

Lime Down Solar Park is a Nationally Significant Infrastructure Project (NSIP) as it has a proposed generation capacity of over 50MW. As an NSIP, the project must submit an application for a Development Consent Order (DCO) to the Secretary of State for Energy Security and Net Zero.

Statement of Community Consultation (SoCC)

As part of the Lime Down Solar Park proposal, the Applicant has a duty to consult the local community under Section 47 of the Planning Act 2008. The Applicant has therefore prepared a SoCC that explains how people living in the vicinity of the proposed project boundary will be consulted throughout the pre-application process, and how it intends to consult on the Preliminary Environmental Information Report (PEIR) which will inform the final Environmental Statement (ES). The consultation process is designed to provide information about Lime Down Solar Park and give local communities the opportunity to have their say and help develop the final design for the project.

This notice provides formal notification of the publication of the SoCC which can be viewed, free of charge, in the document library at www.limedownsolar.co.uk. Printed reference copies of the SoCC are also available to view at the community access points listed below.

The Statutory Consultation Process

The Applicant will be holding its statutory consultation between 29 January and 19 March 2025. The Applicant will host a series of consultation activities, which will be available and accessible to all interested members of the local community.

SECTION 48 PLANNING ACT 2008
REGULATION 4 OF THE INFRASTRUCTURE PLANNING (APPLICATIONS: PRESCRIBED
FORMS AND PROCEDURE) REGULATIONS 2009.

Notice publicising a proposed application for a Development Consent Order (“DCO”) to construct, operate, maintain and decommission a solar photovoltaic (PV) generating station, with a generating capacity of more than 50 megawatts (MW) and associated infrastructure on land in Wiltshire (Lime Down Solar Park).

Notice is hereby given that Lime Down Solar Park Limited (Company registration number 13211532) of Unit 25.7 Coda Studios, 189 Munster Road, London, England SW6 6AW (the Applicant), proposes to apply to the Secretary of State for Energy Security and Net Zero under Section 37 of the Planning Act 2008 for a Development Consent Order for the Lime Down Solar Park (the Application).

Lime Down Solar Park will cover a combined area of approximately 2,835 hectares and will consist of the following sites:

- Lime Down A, B, C, D, E: five solar array sites located in Wiltshire currently comprising 878 hectares which lie to the north of the M4, southwest of Malmesbury, between the villages of Alderton, Luckington, Sherston, Foxley, Norton, Corston, Startley, Upper Seagry, Lower Stanton St Quintin, and Hullavington.
- The solar array sites will include solar panels, conversion units, inverters, up to five 33 kV substations located in Lime Down A to E and up to three 132 kV substations located in Lime Down A, C and E. There will be one 400 kV substation located within Lime Down D.
- One or two Battery Energy Storage System (BESS) areas, both of which will be located within Lime Down D.
- A cable route search area has been identified for the underground electricity cables connecting the Lime Down A to E solar array sites, substations and the BESS to the national grid at the existing Melksham Substation, currently comprising 1,947 hectares; and,
- Associated infrastructure, mitigation and enhancement measures, and other ancillary works, for example, fencing, security, local grid connections, temporary access roads, permanent means of access, highway works, temporary works compounds and work sites.

Lime Down Solar Park is located entirely within the administrative boundary of Wiltshire Council. The solar PV sites are located across several parishes:

- Lime Down A is located within the civil parish of Sherston approximately 735 metres to the southeast of Sherston;
- Lime Down B is located within the civil parish of Norton approximately 3.9km to the west of Malmesbury;
- Lime Down C is located across the civil parishes of Sherston, Luckington, Hullavington, and Norton approximately 3.3km to the south of Sherston;
- Lime Down D, which incorporates the proposed BESS areas, is located across the civil parishes of Norton and Hullavington approximately 4km to the southwest of Malmesbury; and
- Lime Down E is located within the civil parish of St Paul Malmesbury Without approximately 4.4km to the south of Malmesbury.

The proposed DCO will, among other things, authorise:

- Construction, operation, maintenance and decommissioning of the solar PV electricity generating station and associated development including grid connection and energy storage facility;
- Compulsory acquisition of land, including interests in land, rights over land and imposition of restrictions, powers to override, suspend or extinguish rights over land and powers for the temporary use of land;
- The application, modification and/or disapplication of legislation including legislation relating to compulsory purchase and landlord and tenant; and
- Such ancillary, incidental and consequential provisions, licenses, property rights, permits and consents as are necessary and/or convenient.

Lime Down Solar Park is an Environmental Impact Assessment (EIA) development for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. This means that the proposed works constitute development for which an EIA is required and the proposed application for a DCO will therefore be accompanied by an Environmental Statement. The Environmental Statement will provide a detailed description of Lime Down Solar Park and its likely significant environmental effects. Information compiled so far about Lime Down Solar Park’s likely significant environmental effects is set out for consultation in a Preliminary Environmental Information Report (the PEIR) and summarised in a Non-Technical Summary (NTS).
