1.1 Summary of Effects

Table 1 - Summary Assessment of Abnormal Indivisible Loads

Assessment Summary of Abnormal Indivisible Loads		
Location	Description	Landscape Effects
A46 Bath Road / B4040 junction, Old Sodbury	Temporary minor road widening at the junction, temporary removal of give-way and no-entry signage, and trimming of existing hedge/tree branches.	Vegetation removal includes cutting back or trimming hedgerow rather than removing/loss and the effect on Landscape and Visual Receptors would be temporary and would be Negligible (Not Significant)
B4093 At the Salutation Inn, Castle Coomb	Temporary minor road widening at the junction, and trimming of existing hedge/tree branches. These works are required to allow the abnormal load vehicle to turn at the junction safely.	Vegetation removal includes cutting back or trimming hedgerow rather than removing/loss and the effect on Landscape and Visual Receptors would be temporary and would be Negligible (Not Significant)
Fosse Way/Alderton Road, North of Grittleton	Temporary minor road widening at the bend, temporary removal of chevron signage, and trimming of existing hedge and other vegetation.	Vegetation removal includes cutting back or trimming hedgerow rather than removing/loss and the effect on Landscape and Visual Receptors would be temporary and would be Negligible (Not Significant)
