

Planning Act 2008

The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017

Certificate of compliance with regulation 16

I hereby certify that in compliance with the requirements under regulation 17 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017–

- (a) notice of the application was given to the persons identified under regulation 11; and
- (b) a copy of the accepted application, including the environmental statement and a map was given to the consultation bodies in accordance with regulation 16

in relation to the application for an order to grant development consent to construct, operate, maintain and decommission the Lime Down Solar Project on land within the administrative areas of Wiltshire Council and South Gloucestershire Council. The Scheme includes a solar photovoltaic (PV) generating station with a generating capacity of more than 50MW (AC) and associated infrastructure.

(Completed certificate to be received by the Secretary of State no later than 10 working days after the deadline date stating the applicant has fulfilled all the requirements at (a) and (b)).
