Dear Examining Authority,

Lime Down Solar Park Development Consent Order – Deadline 1A Submissions

Planning Inspectorate Case Reference: EN010168

Further to the Rule 8 Letter **[PD-007]**, published on Friday 24 April 2026, I am writing to provide the Applicant's submissions for Deadline 1A of the Lime Down Solar Park Development Consent Order Examination.

The documents submitted at Deadline 1A are set out in tabulated form in Appendix A (new documents) and Appendix B (updated documents) of this letter.

Land and Rights Negotiations Tracker

Given the Applicant provided an updated Land and Rights Negotiations Tracker **[EN010168/APP/4.4]** (Revision 3) at Deadline 1, a further update has not been provided at Deadline 1A due to the short timescales between these deadlines. The Applicant will provide a further update to the Land and Rights Negotiations Tracker **[EN010168/APP/4.4]** (Revision 3) at Deadline 2.

Issue Specific Hearing 1 – Action Points

The Applicant has provided a response to the actions from Issue Specific Hearing 1 in the Written Summary of the Applicant’s Oral Submissions and Responses at Issue Specific Hearing 1 and Responses to Action Points **[EN010168/EXAM/9.18]**. Please note that where a relevant hearing action from Issue Specific Hearing 1 has already been addressed at Deadline 1, this has been noted within the document.

Technical Addendum to Chapter 12: Cultural Heritage, Bradfield Manor Visualisations

The Technical Addendum **[EN010168/EXAM/9.20]** provides visualisations, which have been prepared in response to consultation with Historic England in relation to the Scheme and its potential effects on the setting of Bradfield Manor Farmhouse. The visualisations demonstrate how the Scheme would be experienced within the wider setting of the Bradfield Manor to the north-east and west.

Examination Library References

In the absence of an updated Examination Library that provides references for documents submitted at Deadline 1, the Applicant’s documents submitted at Deadline 1A continue to refer to the most recently published version of the Examination Library that was updated on 27 April 2026. The Examination Library references for documents submitted by the Applicant at Deadline 1 will be provided in the Guide to the Application **[EN010168/APP/1.5]** (Revision 5) at Deadline 2, except where these are being subsequently updated at Deadline 2.

Use of Artificial Intelligence

In accordance with the procedural decision made by the Examining Authority about the use of artificial intelligence (AI) in submissions, as set out in Annex F of the Rule 6 Letter **[PD-006]**, we can confirm that there has only been minor use of AI in the Written Summary of the Oral Submissions at the Open Floor Hearing 1 and the Applicant's Responses **[EN010168/EXAM/9.19]**, for spelling and grammar checks, consistency checks (including document titles, examination library references and formatting), and to improve the readability of technical text.

All text has been drafted by subject matter experts within the project team before the use of AI. All changes made or suggested by CoPilot have been checked by an appropriately knowledgeable or qualified person before inclusion. This means that all text has been validated for its content and accuracy by the author before submission of the Written Summary of the Oral Submissions at the Open Floor Hearing 1 and the Applicant's Responses **[EN010168/EXAM/9.19]**.

If there are any queries about the content of this letter, please do not hesitate to contact me.

Yours sincerely,

Senior Project Development Manager

On behalf of Lime Down Solar Park Limited
