Ms Janine Laver  
Lead Member of the Examining Authority  
The Planning Inspectorate  
c/o QUADIENT  
69 Buckingham Avenue  
Slough  
SL1 4PN

22 May 2026

Dear Examining Authority,

**Lime Down Solar Park Development Consent Order – Deadline 2 Submissions**

**Planning Inspectorate Case Reference: EN010168**

Further to the updated **Rule 8(3) Letter [PD-009]**, published on Wednesday 20 May 2026, I am writing to provide the Applicant's submissions for Deadline 2 of the Lime Down Solar Park Development Consent Order Examination.

The documents submitted at Deadline 2 are set out in tabulated form in Appendix A (new documents) and Appendix B (updated documents) of this letter.

**Great Crested Newt District Level Licence Impact Assessment and Conservation Payment Certificate**

The Applicant has submitted the **Great Crested Newt District Level Licence Impact Assessment and Conservation Payment Certificate (IACPC) [EN010168/EXAM/9.24]** at Deadline 2. Due to the sensitive information contained within the certificate, this document is submitted as confidential. The Applicant notes that the certificate has been signed by both the Applicant and Natural England, confirming Natural England's involvement in the preparation and agreement of the

document. Please note that Wiltshire Council has been provided with an unredacted version of the payment certificate to demonstrate progress on this issue.

### **Request for additional plans/ visualisations**

As requested by the Examining Authority in the **Rule 8 Letter [PD-007]** published on Friday 24 April 2026, the Applicant has provided a winter year 15 photomontage for each viewpoint that currently has year 1 winter and year 15 summer photomontages. The year 15 photomontages have been included in **ES Volume 2, Figure 8-14 Baseline Photography and Photomontages [EN010168/APP/6.2]** (Revision 3 (Parts 1 and 2) and Revision 4 (Part 3)).

### **Applicants Response to Written Representations**

The Applicant has endeavoured to provide a response to all Written Representations, however due to the volume of information submitted at Deadline 1, and the reduced timescales in which to respond, where a detailed response is required to address specific points raised, where indicated in the **Applicants Response to Written Representations [EN010168/EXAM/9.22]** a Technical Note will be provided at Deadline 3.

### **Draft Itinerary for an Accompanied Site Inspection**

The Applicant has provided an updated **Draft Itinerary for an Accompanied Site Inspection [EN010168/EXAM/9.4]** (Revision 3) in order to include an additional location, as requested by the Examining Authority.

### **Statements of Common Ground**

The Applicant has submitted a number of Statements of Common Ground (SoCGs) at Deadline 2, however the Applicant has not submitted all the SoCGs requested in the **Rule 6 Letter [PD-006]** at this deadline. This is due to either comments on the draft SoCG document not being received back from the SoCG party or where it has not been

E: info@limedownsolar.co.uk  
FREEPOST Lime Down Solar  
www.limedownsolar.co.uk

agreed with a SoCG party that a SoCG is required. The only exception is the SoCG with Historic England, which is submitted in draft form.

The **Statement of Commonality [EN010168/EXAM/8.1]** (Revision 3) provides an update of the position of all SoCG parties.

The Applicant continues to proactively engage with SoCG parties.

### **Change Application**

The Applicant anticipates submitting a Change Application to make a small number of minor changes to the DCO application. While the detail of these proposed changes is still being developed, they are generally being informed by consideration of stakeholder feedback and further assessment of access requirements, for example. The Applicant will provide further information about the proposed changes and a programme, including the Applicant's proposed approach to consultation, in a Change Notification Report that will be submitted at Deadline 3 (15 June 2026).

### **Procedural Decision to Amend the Examination Timetable**

The Applicant notes the **Procedural Decision to amend the Examination Timetable [PD-009]**, and that affected persons and interested parties can register to speak at compulsory acquisition hearings and open floor hearings in June and September. The Applicant has no comments to make on the **Procedural Decision to amend the Examination Timetable [PD-009]**.

### **Use of Artificial Intelligence**

In accordance with the procedural decision made by the Examining Authority about the use of artificial intelligence (AI) in submissions, as set out in Annex F of the **Rule 6 Letter [PD-006]**, we can confirm that there has only been minor use of AI in the **Applicant's Response to the Local Impact Report [EN010168/EXAM/9.21]**, the **Applicant's Response to Written Representations [EN010168/EXAM/9.22]** and the **Applicant's Response to Deadline 1A Submissions**

**[EN010168/EXAM/9.23]**, for spelling and grammar checks, consistency checks (including document titles, examination library references and formatting), and to improve the readability of technical text.

All text has been drafted by subject matter experts within the project team before the use of AI. All changes made or suggested by CoPilot have been checked by an appropriately knowledgeable or qualified person before inclusion. This means that all text has been validated for its content and accuracy by the author before submission of the documents set out above.

If there are any queries about the content of this letter, please do not hesitate to contact me.

Yours sincerely,

Senior Project Development Manager  
On behalf of Lime Down Solar Park Limited
