Case Ref: EN010168

Date: 4 June 2026

Planning Act 2008

Application by Lime Down Solar Park Limited for an order granting development consent for the Lime Down Solar Project

Accompanied site inspection itinerary – 11 June 2026

The itinerary for the accompanied site inspection can be found below.

The Examining Authority's (ExA) inspection of sites is **not** an opportunity to comment on the project, discuss or present evidence. It is an opportunity for the ExA to look at the physical features that can be seen on, or from the sites. Participants may be invited by the ExA to point out specific features or sites of interest.

Joining the site visit

The site inspection will commence at **9:15am** at Stanton St Quintin Parish Hall. Participants are asked to assemble promptly as the ExA will not wait for parties who are not present at the start time. There will be a register, health and safety briefing, personal protective clothing provided and the ExA will make an introduction to the event. The event starts at 9:15am, the buses will leave at 9.30am and will not be able to wait for any late attendees.

The Parish Hall is booked to make use of the facilities from 8:30am.

To ensure the smooth running of the ExA's inspection, we ask that attendees notify the case team if there are any changes in attendance and ensure the Planning Inspectorate is made aware of any special access requirements.

Clothing

Attendees are recommended to wear appropriate sturdy footwear and weather appropriate clothing. The applicant will provide hard hats, high visibility jackets, safety glasses and gloves, if required.

Sites on private land

Access onto private land is at all times by permission of the person controlling it; householders, occupiers and landowners may refuse to allow some persons accompanying the ExA onto their land. Under those circumstances, the ExA will decide whether or not to proceed with that part of the inspection and may ask those refused access to wait outside.

Refreshments

Refreshments will not be provided. The minibus will drive to Waitrose & Partners, A429, Avon Mills, Malmesbury SN16 9FS for a comfort break stop, via Foxley and VP18.

Cancellations

In the unlikely event that the accompanied site inspection is cancelled, we shall endeavour to contact attendees beforehand, but we ask that you regularly check the Planning Inspectorate's website: [Lime Down Solar Project – Project website](#). You may also wish to register to receive regular updates on the examination: [Get updates | Lime Down Solar Project](#)

Detailed itinerary for accompanied site inspection

The ExA has adopted the applicant's draft Itinerary final itinerary: [Draft Itinerary for an Accompanied Site Inspection \(Rev 4\)](#)

Please be aware that the timings outlined are indicative.

Yours faithfully
